Details of different tariff schemes of different classes of consumers and various associated terms and conditions are specified in various regulations and in Annexure C1 and Annexure C2 of the West Bengal Electricity Regulatory Commission (Terms and Conditions of Tariff Regulations, 2007, as amended, hereinafter referred to as the "Tariff Regulations"). Other associated conditions of tariff of CESC Limited for 2010-11 are as follows:

1. Load Factor Rebate/ Surcharge:
 - a) In order to reduce the overall system T & D loss and to flatten the load curve by improving the existing system load factor of CESC Limited HT industrial, HT commercial and HT domestic consumers shall receive voltage wise graded load factor rebate as per the following table:

Range of Load Factor (LF)	Supply Voltage		
	Below 33 KV	33 KV	Above 33 KV
Above 50%	Up to 55%	3	4
Above 55%	Up to 60%	4	5
Above 60%	Up to 65%	5	6
Above 65%	Up to 70%	6	7
Above 70%	Up to 75%	7	8
Above 75%	Up to 80%	8	9
Above 80%	Up to 85%	9	10
Above 85%	Up to 90%	10	11
Above 90%	Up to 95%	11	12
Above 95%	Up to 95%	12	13

- a) The above load factor rebate shall be applicable on quantum of energy consumed in the billing period. (For example a 6 KV industrial or commercial or domestic consumer a 85% load factor shall be eligible for a rebate @ 25 paise/kWh on the total quantum of energy consumed in the billing period).
- b) Load factor surcharge shall continue at the prevailing rate.
- c) Load factor rebate and load factor surcharge shall be computed in accordance with the formula and associated principles given in regulations 3.9.2, 3.9.3 and 3.9.4 of the Tariff Regulations and at the rates mentioned in paragraphs 1.a) and 1.c) above.

PF < 80%	0.00	6.00	0.00	7.00	0.00	5.00	5.50	

- a) The rebate and surcharge against different time periods shall be reflected in the bill separately and shall be treated separately.
- b) The power factor computation for different periods of the day shall be done subject to regulation 3.12.5 of the Tariff Regulations.
- c) The above rate of power factor rebate and surcharge for different time periods under TOD or non-TOD tariff shall be applicable from the consumption month of September, 2010. Prior to the consumption month of September, 2010, the rate and method of calculation of power factor rebate and surcharge shall continue to be the consumers under TOD or non-TOD tariff, as the case may be, in accordance with the tariff order for CESC Limited for 2009-2010.
- d) For short term supply, emergency supply and for supply of construction power, there shall be no rebate or surcharge for load factor and power factor.
- e) For pre-paid tariff scheme with pre-paid meter no discount on energy charge will be allowed with effect from 01.08.2010, except for public water works. For public water-works, a special discount of 16 paise / kWh on energy charge will be given in case the supply is under pre-paid tariff scheme through prepaid meter.
- f) HT domestic Rate-R may be applicable to private hospitals with facilities for research; and to avail of this tariff, those hospitals are required to furnish to CESC Limited appropriate certificate on research undertaken by them along with other data / information as may be required by CESC Limited. CESC Limited shall satisfy itself about the veracity of the claim of such consumers and submit its report and comments in this regard to the Hon'ble Commission along with its next application for APR. After due consideration of the report and comments of CESC Limited, the Hon'ble Commission may modify the rate of such consumers in subsequent tariff order, if considered necessary. Such consumers shall furnish every year an undertaking to CESC Limited stating that the power supply to their premises shall be used / shall continue to be used exclusively for the purpose for which the supply has been taken.
- g) HT Public Utility Rate-I may be applicable to all non-profit-making educational and research institutions aided by the State / Central Government, charitable hospitals and social welfare establishments owned and run by any charitable organization either public or private, and to avail of this tariff, such consumers are to satisfy the following conditions:
 - a) educational and research institutions aided by the State / Central Government shall furnish necessary documents to indicate that they have been receiving from the State / Central Government such aid, which must be at least 50% of their total annual income for the last three years consecutively;
 - b) educational and research institutions aided by the State / Central Government and the charitable hospitals and social welfare establishments owned and run by charitable organizations either public or private shall be required to submit their audited accounts of the last three years; and
 - c) such consumers shall be required to furnish an undertaking stating that the power supply to their institutions/ organizations shall be used and shall continue to be used exclusively for the purpose for which the supply has been taken.
- h) Such consumers shall apply to CESC Limited along with the above documents and CESC Limited shall verify the same and shall give effect to such tariff to such consumers, if the claim is found to be satisfactory, prospectively but not later than three months from the date of receipt of the application with the required documents.
- i) Delayed payment surcharge shall be applicable as per regulation 3A.14 of the Tariff Regulations.
- j) DC Surcharge will be levied @ 30% on gross energy charge subject to a minimum of 80 paise / kWh.
- k) All existing charges relating to meter rent for HT consumers, meter testing, meter replacement, disconnection and reconnection etc. shall continue. For LT consumers, the meter rents shall be as follows:
 - a) All types of LT single phase meter including single phase prepaid meter for domestic consumers - Rs. 10/- per month
 - b) All types of LT single phase meter including single phase prepaid meter for commercial consumers - Rs. 15/- per month
 - c) LT single phase prepaid meter for all categories of consumers other than domestic and commercial consumers - Rs. 15/- per month
 - d) All types of LT single phase meter (excluding prepaid meter) for all categories of consumers other than domestic and commercial consumers - Rs. 15/- per month
 - e) All types of LT three phase meter including three phase prepaid meter for domestic consumers - Rs. 30/- per month
 - f) LT three phase prepaid meter for all categories of consumers other than domestic consumers - Rs. 30/- per month
 - g) All types of LT three phase meter (excluding three phase prepaid meter) for all categories of consumers other than domestic consumers - Rs. 50/- per month
- l) No meter rent shall be applicable for a consumer if the meter is supplied by the consumer.
- m) A consumer opting for pre-paid meter shall not be required to make any security deposit for the energy charge.
- n) All statutory levies like electricity duty or any other taxes, duties etc. imposed by the State Government / Central Government or any other competent authority shall be extra and shall not be a part of the tariff determined under this tariff order.
- o) The order dated 29.07.2010 will take effect from 1 April, 2010. However, for all categories of consumers the tariff as per this order shall be applicable from the first meter reading date on or after 1 April, 2010 and onwards. Adjustments, if any, for over recovery / under recovery from the energy recipients shall be made in 8 (eight) equal monthly instalments starting from the billing month of August, 2010 or any subsequent month depending on meter reading date.
- p) The Hon'ble Commission passed an order dated 25.11.2009 in Case No. FPPCA-36/09-10 allowing CESC Limited to recover ad-hoc fuel and power purchase cost at the rate of 48.00 paise / kWh from its consumers and licensees from the billing month of / pertaining to November, 2009 till determination of tariff of CESC Limited for 2010-11. Now tariffs of CESC Limited for the year 2010-11 have been determined and the same are applicable from the first meter reading date on or after 1 April, 2010 and onwards. The ad-hoc fuel and power purchase cost mentioned above shall not be applicable to an energy recipient with effect from the date on which the tariff dated 29.07.2010 comes into effect in respect of that energy recipient.
- q) In addition to the tariff determined under the order dated 29.07.2010 of the Hon'ble Commission, CESC Limited will be further entitled to additional sums towards enhanced cost of fuel and power purchase, if any, after the date from which this tariff order takes effect. The fuel and power purchase cost shall be subject to adjustment in accordance with the Tariff Regulations.
- r) Optional TOD tariff scheme for LT Commercial, LT Industrial and LT Public Water Works categories of consumers having minimum load of 30 KVA, which was directed to be introduced in the tariff order for 2007-08, shall continue and energy charge under such scheme shall be computed according to regulation 3A.12 of the Tariff Regulations, wherever applicable. In accordance with the Tariff Regulations, the State Government is required to continue and energy charge under such scheme shall be computed according to regulation 3A.12 of the Tariff Regulations.
- s) For any pre-paid and TOD tariff scheme, other charges shall be the charges applicable to the consumers under respective category of non-TOD tariff.
- t) An applicant for short term supplies through pre-paid meter shall have to comply with all necessary formalities for obtaining supply including payment in accordance with the Regulations made by the Hon'ble Commission. The same will be subject to the following conditions:
 - a) provision of space for installing weather-proof, safe and secure terminal services apparatus to protect sophisticated meter; and
 - b) availability of prepaid-meter of appropriate capacity.
- u) A new rate namely Rate-C2 for street lighting with metered supply and illuminated with LED has been introduced. To avail this rate for street lighting the supply shall be metered and all the street lights under the same meter shall be illuminated with LED. For mixed type of street lights under one meter Rate-C shall be applicable. The rebate for timely payment under new Rate-C2 shall be the same as for street lighting as mentioned in paragraph 6.
- v) For Domestic consumers with prepaid meters the tariff at uniform rate shall be applicable from 01.08.2010. For a consumer who has purchased voucher prior to 01.08.2010, the existing tariff will continue till such voucher is exhausted.
- w) The tariffs determined under this order for different categories of consumers are the maximum ceilings for supply of electricity at any applicable price to the consumers of CESC Limited only for those areas of supply of CESC Limited where multiple licensees exist. However, if supply is effected to a consumer at a price lesser than the upper ceiling, and as a result the licensee incurs loss, such loss shall not be allowed to be passed on to any other consumers or any other distribution licensees under purview of the Hon'ble Commission.
- x) Any matter, which has not been explicitly mentioned in the order dated 29.07.2010 of the Hon'ble Commission, shall be guided by regulations 2.10.8 and 2.10.9 of the Tariff Regulations.
- y) It is open to the State Government to grant any subsidy to any consumer or any class of consumers in the tariff determined by the Hon'ble Commission for CESC Limited. If at all any such subsidy under the provisions of the Act is introduced to CESC Limited and to the Hon'ble Commission by the Government of West Bengal with clear indication of the consumer or class of consumers to be subsidized and the amount of the subsidy proposed to be given in paid in advance, the tariff of such consumer and / or the class of consumers shall be deemed to have been reduced accordingly as has been indicated by the State Government. However, such direction of the State Government shall not be operative till the payment is made by the State Government in accordance with the provisions of the Act and the Regulations made thereunder and the tariff as fixed by the Hon'ble Commission shall remain applicable. In accordance with the Tariff Regulations, the State Government is required to communicate, within 15 days from the date of receipt of a tariff order, whether it shall give any subsidy to any group of consumers etc.

For any further interpretation / clarification, the order of the Hon'ble Commission dated 29.07.2010 may be referred to and the copy of the order may be obtained from the office of the Hon'ble Commission at F-415A, Pura Bhawan (3rd floor), Sector - II, Bidhannagar, Kolkata 700 106, following the procedure laid down in the West
