NOTIFICATION

For submitting Online Application for New Connection the Applicants have to submit an e-declaration on the basis of which a Self-Validated Unique Identification Document Number provided by them will be accepted by CESC in good faith instead of their signatures and bonafide Identity & Occupancy Document.

The above system has been developed to ensure ease of submitting an Online Application without any Scanner or Printer by an Applicant.

Subsequently, at any point of time if it is found that false Document Number has been provided during such Application, appropriate actions will be taken by CESC.
