Independent Auditor's Report

To the Members of Crescent Power Limited

Report on the Audit of the Financial Statements

Opinion

- 1. We have audited the accompanying financial statements of Crescent Power Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
- 2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Director Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. AANDIO,

Crescent Power Limited Independent Auditor's Report to the Members of the Company for the year ended 31 March 2022

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

- 5. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 6. In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

- 8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- 9. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
 a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
 control:
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible
 for expressing our opinion on whether the Company has adequate internal financial controls system
 with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

Crescent Power Limited Independent Auditor's Report to the Members of the Company for the year ended 31 March 2022

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- 10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

- 11. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
- 12. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 13. Further to our comments in Annexure A, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The financial statements dealt with by this report are in agreement with the books of account
 - d) In our opinion, the aforesaid financial statements comply with Ind AS specified under section 133 of the Act;
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022 from being appointed as a director in terms of section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2022 and the operating effectiveness of such controls, refer to our separate Report in Annexure B wherein we have expressed an unmodified opinion; and
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigation which would impact its financial position as at 31 March 2022;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2022;

Crescent Power Limited Independent Auditor's Report to the Members of the Company for the year ended 31 March 2022

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2022;
- iv. a. The management has represented that, to the best of its knowledge and belief, as disclosed in note 49 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any persons or entities, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
 - b. The management has represented that, to the best of its knowledge and belief, as disclosed in note 49 to the financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year ended 31 March 2022.

Place: Kolkata Date: 04 May 2022

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Crescent Power Limited on the financial statements for the year ended 31 March 2022

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and right of use assets.
 - (B) The Company does not have any intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.
 - (b) The property, plant and equipment and right of use assets have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of physical verification program adopted by the Company, is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company, except for the following properties, for which the Company's management is in the process of getting the registration in the name of the Company:

| Description of property | Gross carrying value (Amount in ₹ lacs) | Held in name of | Whether promoter, director or their relative or employee | Period held | Reason for not being held in name of company |
|-------------------------|---|---|--|---------------|---|
| Building | 87.16 | Bengal Srishti Infrastructure Limited | No | 27 April 2018 | Delayed on account of the restrictions imposed due to the pandemic. |

- (d) The Company has not revalued its property, plant and equipment and right of use assets during the year. Further, the Company does not hold any intangible assets.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.
- ii. (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed.
 - (b) The Company has a working capital limit in excess of ₹ 5 crore sanctioned by banks based on the security of current assets. The quarterly statements, in respect of the working capital limits have been filed by the Company with such banks and such statements are in agreement with the books of account of the Company for the respective periods, which were subjected to review.
- iii. (a) During the year, the Company has not provided any loans or provided any advances in the nature of loans, or guarantee, or security to any other entity. Accordingly, reporting under clauses 3(iii)(a) and 3(iii)(e) of the Order is not applicable to the Company.
 - (b) The investments made are not, prima facie, prejudicial to the Company's interest. The Company has not provided any guarantee or given any security or granted any loans or advances in the nature of loans during the year.

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Crescent Power Limited on the financial statements for the year ended 31 March 2022 (cont'd)

- (c) The Company does not have any outstanding loans and advances in the nature of loans at the beginning of the year nor has granted any loans or advances in the nature of loans during the year. Accordingly, reporting under clauses 3(iii)(c), 3(iii)(d) and 3(iii)(f) of the Order is not applicable to the Company.
- iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of section 186 of the Act in respect of investments, as applicable. Further, the Company has not entered into any transaction covered under section 185 and section 186 of the Act in respect of loans, guarantees and security.
- v. In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there is no amount which has been considered as deemed deposit within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- vi. The Central Government has specified maintenance of cost records under sub-section (1) of section 148 of the Act only in respect of the products of the Company. We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under the aforesaid section, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. (a) In our opinion, and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us, there are no statutory dues referred to in sub-clause (a) above that have not been deposited with the appropriate authorities on account of any dispute.
- viii. According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been recorded in the books of accounts.
- ix. (a) According to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings to any lender or in the payment of interest thereon.
 - (b) According to the information and explanations given to us including confirmations received from banks and representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any banks.
 - (c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year and there has been no utilisation during the current year of the term loans obtained by the Company during any previous years. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.
 - (d) In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised by the Company on short-term basis have not been utilised for long-term purposes
 - (e) According to the information and explanations given to us, the Company does not have any subsidiaries, associates or joint ventures. Accordingly, reporting under clause 3(ix)(e) and clause 3(ix)(f) of the Order is not applicable to the Company.

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Crescent Power Limited on the financial statements for the year ended 31 March 2022 (cont'd)

- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
 - (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the period covered by our audit.
 - (b) No report under section 143(12) of the Act has been filed with the Central Government for the period covered by our audit.
 - (c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.
- xiv. (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system as required under section 138 of the Act which is commensurate with the size and nature of its business.
 - (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- xv. According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with them and accordingly, provisions of section 192 of the Act are not applicable to the Company.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3(xvi) of the Order is not applicable to the Company.
- xvii. The Company has not incurred any cash loss in the current as well as the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the plans of the Board of Directors and management, we are of the opinion that no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharge the payment of the same and when they fall due.

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Crescent Power Limited on the financial statements for the year ended 31 March 2022 (cont'd)

- xx. (a) According to the information and explanations given to us, the Company does not have any unspent amount in respect of other than ongoing project as at the expiry of the financial year. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable to the Company.
 - (b) The Company has transferred the remaining unspent amount under sub-section (5) of section 135 of the Act, in respect of ongoing project, within a period of 30 days from the end of financial year to a special account in compliance with the provision of sub-section (6) of section 135 of the Act.
- xxi. The reporting under clause 3(xxi) is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Place: Kolkata Date: 04 May 2022

Annexure B to the Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of Crescent Power Limited ('the Company') as at and for the year ended 31 March 2022, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

- 3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Annexure B to the Independent Auditor's Report of even date to the members of Crescent Power Limited on the financial statements for the year ended 31 March 2022 (cont'd)

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Equity share

Arit Karmakar Company Secretary

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022 (All amounts in ₹ lacs, unless otherwise stated)

1 Corporate information

Crescent Power Limited ("the Company") is a limited Company incorporated and domiciled in India. Its registered office is located at 6 Church Lane, 1st floor, Kolkata -700001, India. The Company is engaged primarily in the business of power generation, having its thermal power plant in the State of West Bengal and solar power plant in the State of Tamil Nadu. The Company is also engaged in providing contracting services.

2 Basis of preparation of financial statements

(a) Statement of compliance

These financial statements have been prepared to comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 notified under Section 133 of the Companies Act, 2013 and other provisions of the Companies Act, 2013 to the extent applicable.

The financial statements are presented in Indian rupees rounded off to nearest lacs.

The financial statements are approved for Issue by the Board of Directors in its meeting held on 04 May 2022.

(b) Recent accounting pronouncements

On 24 March 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Act. The amendments revised Division I, II and III of Schedule III and are applicable from 1 April 2021. The revised Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015, as amended, prescribes amendments for various additional disclosures. The Company has complied with the applicable changes in these financial statements.

(c) Basis of accounting

The financial statements have been prepared on the historical cost convention and on accrual basis except for the following:

- (a) certain financial assets and liabilities
- (b) defined benefit plans plan assets measured at fair value

(d) Use of estimates

The preparation of financial statements is in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Critical accounting estimates and assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

a. Income taxes

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

b. Property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

c. Defined benefit obligation:

The costs of post-employment benefits are charged to the Statement of profit and loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates. This has been disclosed in note 33, 'Employee benefits expense'.

d. Fair value measurement of financial instruments

When the fair values of financials assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

(e) Current/non-current classification

The Company presents all its assets and liabilities in the balance sheet based on current or non-current classification. Assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Act. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022 (All amounts in ₹ lacs, unless otherwise stated)

3 Significant accounting policies and key accounting estimates and judgements A financial instrument is a contract that gives rise to a financial esset of one entity and a financial fiebility or equity of another entity.

(a) Financial asset

(i) Initial measurement

All financial assets are recognized initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognized on trade date. Financials assets of the Company include investments in equity shares, preference shares of body corporate, trade and other receivables, loans and advances to employees etc.

(ii) Classification and subsequent measurement

For the purpose of subsequent measurement, financial assets of the Company are classified in the following categories:

- (1) financial assets measured at amortised cost:
- (2) financial assets measured at fair value through other comprehensive income;
- (3) financial assets measured at fair value through profit and loss.

The classification of financial assets depends on the objective of the business model. Management determines the classification of its financial assets at initial recognition.

Financial instruments measured at amortised cost:

A financial instrument is measured at amortised cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the affective interest rate (EIR) method, amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables, bank deposits, security deposits, cash and cash equivalents, employee and other advances.

(b) Investments

Equity instruments

Equity investments in scope of Ind AS 109 are measured at fair value. At initial recognition, the Company make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

(c) Trade receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortised cost using the effective interest rate method, less provision for impairment (if any). The amount also includes unbilled revenue, if any, for which goods have been sold and services have been rendered to the customer but not yet billed as at year end.

(d) Financial liability

(I) Initial measurement

All financial flabilities are recognized initially at fair value net of directly attributable transaction costs. The Company's financial flabilities include loans and borrowings, trade and other payables etc.

(ii) Classification and subsequent measurement

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories:

- (1) financial liabilities measured at amortised cost
- (2) financial liabilities measured at fair value through profit and loss

(e) Loans and borrowings

Loans and borrowings are initially recognized at fair value net of transaction costs incurred. Subsequently, these are measured at amortised cost using the effective interest rate ('EIR') method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

(f) Trade and other payables

These amount represent liabilities for goods and services provided to the Company at the end of the financial year which are unpaid. Trade and other payables are presented as current (iabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortised cost using the EIR model.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022 (All amounts in ₹ lacs, unless otherwise stated)

3 Significant accounting policies and key accounting estimates and judgements (cont'd)

(g) Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation/ amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for its intended use. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment. These are included in profit or loss. The residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively.

(ii) Depreciation

Depreciation on items of plant, property and equipment is provided on straight-line method based on the useful life as prescribed under Schedule II of the Companies Act, 2013. Useful life for plant and machinery used for solar power plant at Tamil Nadu is taken at 25 years, based on the period of Power Purchase Agreement (PPA) with Tamil Nadu Generation and Distribution Corporation Limited ('TANGEDCO'). Building constructed over leasehold land are depreciated based on the useful life specified in Schedule II or the lease tenure, whichever is lower.

Depreciation on parts of assets whose cost is significant to the total cost of such assets and have useful life different from the useful life of the remaining asset (as per technical advice) has been determined separately. Useful life of the property, plant and equipment is as follows.

Particulars Useful Life of Assets

Buildings 03 - 60 years
Plant and equipment 10 - 40 years
Furniture and fixtures 10 years
Vehicles 08 years
Office equipment 05 years

(iii) Subsequent costs

Subsequent expenditure including cost of major overhaul and inspection is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of any component recognized as a separated component is derecognized when replaced. All other repairs and maintenance are recognized in the Statement of Profit or Loss as incurred.

(iv) Stores and spares

Items of spare parts, stand-by equipment and servicing equipment which meet the definition of property, plant and equipment are capitalised and depreciated on straight-line method on prorate basis at the rates specified therein. Other spare parts are carried as inventory and recognised in the income statement on consumption.

(h) Capital work in progress

Capital work in progress is stated at cost net of accumulated impairment losses, if any,

(i) Leases

Company as a lessee - Right of use assets and lease liabilities

A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'.

Classification of leases

The Company enters into leasing arrangements for various assets. The assessment of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/purchase etc.

Recognition and initial measurement of right of use assets

At lease commencement date, the Company recognises a right-of-use asset and a lease fiability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Group, an estimate of any costs to dismantle and remove the asset at the end of the lease (if any), and any lease payments made in advance of the lease commencement date (net of any incentives received).

Subsequent measurement of right of use assets

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

Lease liabilities

At lease commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company's incremental borrowing rate. Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed payments) and variable payments based on an index or rate. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is re-measured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is re-measured, the corresponding adjustment is reflected in the right-of-use asset.

The Company has elected to account for short-term leases using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these short-term leases are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

(i) Inventory

Inventories of stores and spares and fuel are valued at lower of cost and net realizable value. Cost is calculated on weighted average basis and comprises expenditure incurred in the normal course of business in bringing such inventories to their location and condition. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Obsolete, slow moving and defective Inventories are identified at the time of physical verification of inventories and where necessary adjustment is made for such items.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022 (All amounts in ₹ lacs, unless otherwise stated)

3 Significant accounting policies and key accounting estimates and judgements (cont'd)

(k) Impairment

(i) Financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on trade receivables (if any).

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss. Lifetime ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive(i.e. all shortfalls), discounted at the original EIR. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss. As a practical expedient the Company uses a provision matrix to determine the impairment loss on its trade receivables. The provision matrix is based on historically observed default rates and is adjusted for forward looking estimates. At every reporting date, the historically observed default rates are updated and changes in forward looking estimates are analyzed.

(II) Non-financial assets

The Company assesses at each reporting date whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the amount of impairment loss. An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through profit or loss.

(I) Taxes

Income tax expense comprises current and deferred tax. Current tax expense is recognized in profit or loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in other comprehensive income or equity.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years. Current income taxes are recognized under "income tax payable" net of payments on account, or under "tax receivables" where there is a credit balance.

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

Deferred tax is recognized in profit or loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in other comprehensive income or equity.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

(m) Employee benefits

The Company participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company.

Contribution to Provident fund and Contributory pension fund are accounted for on accrual basis. The Company operates defined contribution schemes for Provident and Pension Fund. Contributions to these funds are made regularly to government authorities and are recognized in the financial statements on accrual basis.

Actuarial gains or losses are recognized in other comprehensive income. Further, the profit or loss does not include an expected return on plan assets. Instead net interest recognized in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognized as part of remeasurement of net defined liability or asset through other comprehensive income.

Measurements comprising actuarial gains or losses and return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are not reclassified to profit or loss in subsequent periods.

(n) Provisions and contingent liabilities

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic banefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of autflow of economic benefits is remote. Contingent liabilities are disclosed on the basis of judgment of the management/independent experts. These are reviewed at each belance sheet date and are adjusted to reflect the current management estimate.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022 (All amounts in ₹ lacs, unless otherwise stated)

3 Significant accounting policies and key accounting estimates and judgements (cont'd)

(o) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with a maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Company's cash management system.

(p) Revenue recognition

A customer of the Company is a party that has contracted with the Company to obtain goods or services that are an output of the Company's ordinary activities in exchange for consideration. The core principle of recognizing revenue from contracts with customers is that the Company recognizes revenue to depict the transfer of promised goods and services to customers in an amount that reflects the consideration to which the Company

At contract inception, the Company assesses the goods or services promised in a contract with a customer to identify as a performance obligation each promise to transfer to the customer either a good or service (or a bundle of goods or services) that is distinct; or a series of distinct goods or services that are substantially the same and that have the same pattern of transfer to the customer.

The Company considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties (for example, indirect taxes). The consideration promised in a contract with a customer may

If there is variable consideration, the Company includes in the transaction price some or all of that amount of estimated variable consideration only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur when the uncertainty associated with the variable consideration is subsequently resolved.

In determining the transaction price, the Company adjusts the promised amount of consideration for the effects of the time value of money if the timing of payments agreed to by the parties to the contract (either explicitly or implicitly) provides the customer or the Group with a significant benefit of financing the transfer of goods or services to the customer.

To determine the transaction price for contracts in which a customer promises consideration in a form other than cash, the Company measures the non-cash consideration (or promise of non-cash consideration) at fair value.

The transaction price is allocated by the Company to each performance obligation (or distinct good or service) in an amount that depicts the amount of consideration to which it expects to be entitled in exchange for transferring the promised goods or services to the customer.

For each performance obligation identified, the Company determines at contract inception whether it satisfies the performance obligation over time or satisfies the performance obligation at a point in time. If an entity does not satisfy a performance obligation over time, the performance obligation is satisfied at a point in time.

The Company recognises revenue when (or as) it satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

For each performance obligation satisfied over time, the Company recognises revenue over time by measuring the progress towards complete satisfaction is measured using appropriate methods which include input and output methods.

Once the recognition criteria is met, revenue is measured at the amount of the transaction price (which excludes estimates of variable consideration that are constrained) that is allocated to that performance obligation.

The Company recognises as an asset the incremental costs of obtaining a contract with a customer if it expects to recover those costs. However, as a practical expedient, the incremental costs of obtaining a contract are recognized as an expense when incurred if the amortisation period of the asset otherwise would have been one year or less.

The costs to fulfill a contract are recognized as an asset if the costs relate directly to a contract or to an anticipated contract that the Company can specifically identify; the costs generate or enhance resources of the Company that will be used in satisfying performance obligations in the future; and the costs are expected to be recovered.

The asset recognized for costs to obtain a contract and costs to fulfill a contract is amortised on a systematic basis that is consistent with transfer to the customer of the goods or services to which the asset relates.

When either party to a contract has performed, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the entity's performance and the customer's payment. An entity shall present any unconditional rights to consideration separately as a receivable.

(q) Other Income

Interest Income

Interest Income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022 (All amounts in ₹ lacs, unless otherwise stated)

3 Significant accounting policies and key accounting estimates and judgements (cont'd)

(r) Borrowing cos

Borrowing costs that are directly attributable to the acquisition, construction or erection of qualifying assets are capitalized as part of cost of such asset until such time that the assets are substantially ready for their intended use. Qualifying assets are assets which take a substantial period of time to get ready for their intended use or sale.

When the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs incurred are capitalized. When Company borrows funds generally and uses them for the purpose of obtaining a qualifying asset, the capitalization of the borrowing costs is computed based on the weighted average cost of general borrowing that are outstanding during the period and used for the acquisition of the qualifying asset.

Capitalization of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying assets for their intended uses are complete. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs include exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs. All other borrowing costs are recognized as an expense in the year in which they are incurred.

(s) Earnings per equity share (EPS)

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

(t) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

(u) Foreign currency transactions

Transactions in foreign currency are recognized at the prevailing exchange rates on the transaction dates. Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the year-end are translated at year-end exchange rates. Gains and losses on settlement or on year-end translations are recognized in the Statement of Profit and Loss.

(v) Business combination

Business combination is accounted for using the pooling of interest method whereby the assets and fiabilities of the combining entities / business are reflected at their carrying value and necessary adjustments, if any, have been given effect to as per the scheme approved by National Company Law Tribunal

(w) Events occurring after the balance sheet date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022 (All amounts in ₹ lacs, unless otherwise stated)

| | | As | As at | | |
|----|----------------------------------|---------------|---------------|--|--|
| | | 31 March 2022 | 31 March 2021 | | |
| 18 | Other equity | | | | |
| | Retained earnings | 22,357.64 | 20,810.55 | | |
| | Other comprehensive income | 1,109.17 | 1,099.55 | | |
| | | 23,466,81 | 21.910.10 | | |
| | Blateura and nurnage of reconcer | | | | |

Nature and purpose of reserves:

(a) Retained earnings

Retained earnings are the profits that the Company has earned till date, less any transfer to general reserves, dividends and other distributions made to the shareholders.

(b) Other comprehensive income

Other items of other comprehensive income consists of re-measurements of net defined benefit plans during the year, and changes in fair value of equity instrument through OCI.

19 Borrowings (non-current)

(Secured)

| Term loans: | | |
|--|----------|----------|
| - From banks [refer notes (a) and (b) below] | 4,908.70 | 5,585.76 |
| Less: Unamortised up-front fees | 31,45 | 40.53 |
| Less: Current maturities of non-current borrowings (refer note 24) | 669.14 | 667.99 |
| | 4.208.11 | 4.877.24 |

(a) Nature of security:

₹ 4,908.70 lacs (31 March 2021 - ₹ 5,585.76 lacs) is secured by an exclusive charge by way of mortgage/ hypothecation of the Company's property, plant and equipments including its land, building, construction thereon where exist, plant and machinery etc. and by way of hypothecation of current assets including book debts, receivables, project related accounts, revenues of whatsoever nature and wherever arising (present and future) with respect to the 15MW Solar Power Project at Ramanathapuram, Tamil Nadu.

(b) Repayment terms and rate of Interest:

The above term loan is repayable in 49 quarterly instalments amounting to ₹ 169.27 lacs each, commencing from 1 June 2017. As on 31 March 2022, 29 quarterly instalments (31 March 2021: 33 quarterly installments) remained outstanding. It carries an interest rate of base rate plus 1.05% p.a.

(c) Reconciliation of liabilities arising from financing activities

The changes in the Company's liabilities arising from financing activities can be classified as follows:

| MI | | | | |
|----------|-----|-------|------|----|
| Non-curr | ent | borro | wind | 25 |

| | - Opening balance | 5,545.23 | 14,329.21 |
|----|--|----------|------------|
| | - Repayments made during the year | (677.06) | (8,927.06) |
| | - Change on account of fair value measurement | 9.08 | 143,08 |
| | Total | 4,877.25 | 5,545.23 |
| 20 | Lease liabilities (non-current) | | |
| | Lease liabilities | 57.11 | 66.74 |
| | Less: Current portion of lease liabilities (refer note 25) | 10.50 | 9.61 |
| | | 46.61 | 57.13 |
| 21 | Other financial liabilities (non-current) | | |
| | Security deposit against contracting service | - | 253.92 |
| | | - | 253.92 |
| 22 | Provisions (non-current) | | |
| | Provision for employee benefits (Refer note 33) | | |
| | - Compensated absences | 176.79 | 166.87 |
| | | 176.79 | 166.87 |
| 23 | Other liabilities (non-current) | | |
| | Deferred revenue | • | 11.42 |
| | | | 11.42 |
| | Borrowings (current) (Secured) | | |
| | Loans repayable on demand: | | |
| | Bank overdraft facilities (refer note (a) and (b) below) | ٠ | 1,741.27 |
| | Current maturities of non-current borrowings (refer note 19) | 669.14 | 667,99 |
| | | 669.14 | 2.409.26 |

Notes:

(a) The Bank's overdraft facilities are secured by way of first pari-passu charge on movable and immovable property, plant and equipments, current assets and escrow account, pertaining to the 40 MW AFBC Thermal Power Project at Asansol, West Bengal ("the Project"). The facility carries an average interest rate of 8.33% p.a. (31 March 2021; 9.02% p.a.).

(b) Borrowings secured against current assets

With respect to borrowings secured against current assets of the Company, there are no discrepancies between the quarterly statements containing details filled with the lenders and the books of account of the Company.

| Other operating revenues | 84.48 | 0.22 |
| | 11.657.99 | 12.271.22 |

Disclosures pursuant to Ind AS 115 - Revenue from contract with customers, are as follows:

(a) Revenue Streams

The Company generates revenue primarily from the sale of electricity and contract washery services. Other sources of revenue includes sale of scraps.

(b) Disaggregation of revenue from contracts with customers

The Company has performed a disaggregated analysis of revenues considering the nature, amount, timing and uncertainty of revenues. This includes disclosure of revenues by product lines, timing of revenue recognition and geography:

| Staff welfare expenses | 89.25 | 62.67 | |
| | 1,315,27 | 1,078.52 | |

Note: The Company has three post employment benefit plans for its eligible employees, namely gratuity, provident and pension fund with the State Administered Fund and leave encashment which is unfunded.

(a) Defined benefit plan

Gratuity

The Company operates a gratuity plan wherein the eligible employees are entitled to the benefit equivalent to 15 days salary last drawn for each completed year of service. Such benefit is payable on retirement or on termination of service, whichever is earlier. The Company also makes annual contribution to independent trust, who in turn, invests in the Employee Group Gratuity scheme of eligible agency for qualifying employees. Provision of gratuity liability in the books of accounts of the company is made on the basis of actuarial valuation subject to the provision of applicable accounting standard.

Compensated absences

Privilege leave balances can be accumulated by eligible employees upto a maximum of 180 days and can be encashed at the time of separation. Liability for leave encashment is provided for based on actuarial valuation carried out annually at the year end.

(b) The results of the actuarial study for the obligation for employee benefits as computed by the actuary are shown below:

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022 (All amounts in ₹ lacs, unless otherwise stated)

33 Employee benefits expense (cont'd)

Details of plan assets

The Company makes annual contribution to the Employees Group Gratuity Scheme of Life Insurance Corporation of India (LICI) for eligible employees. Liability at the year-end for gratuity and leave encashment has been determined on the basis of actuarial valuation carried out by an independent actuary, based on the method prescribed in the Indian Accounting Standard 19.

Defined contribution plan

The Company makes contributions for provident fund towards defined contribution retirement benefit plans for eligible employees. Under the said plans, the Company is required to contribute a specified percentage of the employees' salaries to fund the benefits. During the current year the Company has recognized ₹ 57.28 Lacs (31 March 2021: ₹ 49.30 Lacs) in the Statement of Profit and Loss.

Rick avnocure

Credit Risk: If the scheme is insured and fully funded on PUC basis there is a credit risk to the extent the insurer(s) is/ are unable to discharge their obligations including failure to discharge in timely manner.

Pay-as-you-go Rlsk: For unfunded schemes financial planning could be difficult as the benefits payable will directly affect the revenue and this could be widely fluctuating from year to year. Moreover there may be an opportunity cost of better investment returns affecting adversely the cost of the scheme.

Discount Rate risk: The Company is exposed to the risk of fall in discount rate. A fall in discount rate will eventually increase in the ultimate cost of providing the above benefit thereby increasing the value of the liability.

Liquidity Risk: This risk arises from the short term asset and liability cash-flow mismatch thereby causing the company being unable to pay the benefits as they fall due in the short term. Such a situation could be the result of holding large illiquid assets disregarding the results of cash-flow projections and cash outgo inflow mismatch. (or it could be due to insufficient assets/cash.)

Future Salary Increase Risk: In case of gratuity & leave the scheme cost is very sensitive to the assumed future salary escalation rates for all final salary defined benefit Schemes. If actual future salary escalations are higher than that assumed in the valuation actual Scheme cost and hence the value of the liability will be higher than that estimated.

Demographic Risk: In the valuation of the liability certain demographic (mortality and attrition rates) assumptions are made. The Company is exposed to this risk to the extent of actual experience eventually being worse compared to the assumptions thereby causing an increase in the scheme cost.

Regulatory Risk: New Act/ Regulations may come up in future which could increase the liability significantly in case of Leave obligation. Gratuity Benefit must comply with the requirements of the Payment of Gratuity Act, 1972 (as amended up-to-date). There is a risk of change in the regulations requiring higher gratuity payments (e.g. raising accrual rate from 15/26 etc.).

(This space has been intentionally left blank.)

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022 (All amounts in ₹ lacs, unless otherwise stated)

44 Disclosure of leases in accordance with Ind AS 116 - Leases

The Company has a single lease agreement for the office space for a period of 9 years from a non-related lessor for rental of office spaces. The lease is reflected on the balance sheet as a right-of-use asset and a lease liability. The Company classifies its right-of-use assets in a consistent manner to its property, plant and equipment.

Lease deed for office space imposes a restriction that, unless there is a contractual right for the Company to sublease the asset to another party, the right-of-use asset can only be used by the Company. The asset (office space) is explicitly set out in the contract and forms the subject matter of the agreement. The lessor does not have a substantive substitution right as the building is an immovable property and the contract specifically identifies the building address, floor and space included under the arrangement.

Instead of performing an impairment review on the right-of-use assets at the date of initial application, the Company has relied on its historic assessment as to whether leases were onerous immediately before the date of initial application of Ind AS 116.

On transition to Ind AS 116 the weighted average incremental borrowing rate applied to lease liabilities recognised was 9.25% per annum.

| (a) Lease liabilities | Year er | nded |
|--|---------------|---------------|
| | 31 March 2022 | 31 March 2021 |
| Balance as at the beginning of the year | 66.74 | 75.96 |
| Add: Interest expense on lease liabilities | 5.53 | 5.77 |
| Less: Payment of lease liabilities | (15.16) | (14.99) |
| Balance as at the end of the year | 57.11 | 66.74 |
| Current | 10.50 | 9.61 |
| Non current | 46.61 | 57.13 |
| | 57.11 | 66.74 |
| | | |

(b) Maturity profile of lease liability

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

| Particulars | 0 to 1 year | 1 to 5 years | > 5 years | Total |
|--|-------------------------|--------------|-----------|-------|
| As at 31 March 2022 Lease liabilities | 10.50 | 46.61 | - | 57.11 |
| As at 31 March 2021 Lease liabilities | 9.61 | 57.13 | - | 66.74 |
| (c) Following amount has been recognised in Statement of P | rofit and Loss account: | | V | |

| | <u>Year er</u> | nded |
|---|----------------|---------------|
| | 31 March 2022 | 31 March 2021 |
| Depreciation of right-of-use assets | 11.57 | 11.57 |
| Interest on lease liability | 5.53 | 5.77 |
| Expenses related to low value lease (included under other expenses) | 2.18 | 2.18 |
| Total amount recognised in Statement of Profit and Loss account | 19.28 | 19.52 |

(d) The Company has several lease contracts that include extension and termination options. Management exercises significant judgement in determining whether these extension and termination options are reasonably certain to be exercised.

| Investment in preference shares | - | 6,688.00 | - | - | 9,688.00 | - |
| Loans | 11.13 | | • | 10.02 | - | - |
| Other financial assets | 136,39 | | - | 130.53 | - | - |
| Current: | | | | | | |
| Trade receivables | 4,100.35 | - | - | 1,473,11 | | - |
| Cash and cash equivalents | 5,543.40 | | - | 1,632.61 | | _ |
| Loans | 4.95 | - | - | 4.50 | | |
| Other financial assets | 7.40 | - | - | 6.47 | | - |
| Total | 9,803.62 | 8,253.85 | • | 3,257,24 | 11,240,28 | - |
| Financial liabilities | | | | | | |
| Non-current: | | | | | | |
| Borrowings | 4,208.11 | _ | - | 4,877.24 | • | _ |
| Lease liabilities | 46.61 | | | 57.13 | | |
| Other financial liabilities | - | - | - | 253.92 | • | - |
| Current: | | | | | | |
| Borrowings | 669.14 | | | 2,409.26 | | - |
| Lease liabilities | 10.50 | | | 9.61 | | |
| Trade payables | 6,104,00 | | | 3,242.07 | | - |
| Other financial liabilities | 669.29 | - | - | 238.29 | - | - |
| Total | 11,707.65 | • | | 11,087.52 | | |

Note: The management assessed that the fair value of cash and cash equivalents, trade receivables and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties.

(b) Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the Statement of Profit and Loss are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: unobservable inputs for the asset or liability

The following table shows the Levels within the hierarchy of financial assets and liabilities measured at fair value on a recurring basis:

| As at 31 March 2022 | Level 1 | Level 2 | Level 3 | Total |
|---|---------|---------|-----------|-----------|
| Financial assets: Investment in equity instruments | | | 1.565.85 | 1 605 05 |
| | • | - | | 1,565.85 |
| Investment in preference shares | | - | 6,888.00 | 6,688.00 |
| | | - | 8,253.85 | 8,253.85 |
| As at 31 March 2021 | Level 1 | Level 2 | Level 3 | Total |
| Financial assets: | | | | |
| Investment in equity instruments | - | - | 1,552.28 | 1,552,28 |
| Investment in preference shares | | - | 9,688,00 | 9,688.00 |
| | | | 11.240.28 | 11.240.28 |

The above disclosures are presented for investments measured at fair value. Carrying value of cash and cash equivalents, other bank balances, trade receivables, other current financial assets, trade payables and other current financial liabilities represents the best estimate of fair value.

Summary of algnificant accounting policies and other explanatory information for the year ended 31 March 2022 (All amounts in ₹ lacs, unless otherwise stated)

46 Financial risk management objective and policies

The Company's principal financial liabilities comprise loans and borrowings in domestic currency, trade payables and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets includes loans, trade and other receivables, cash and short-term deposits that derive directly from its operations.

The Company is exposed to the following risks from its use of financial instruments:

- Credit risk
- Liquidity risk
- Market risk

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note presents information about the risks associated with its financial instruments, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital.

A. Credit risk

The Company is exposed to credit risk as a result of the risk of counterparties defaulting on their obligations. The Company's exposure to credit risk primarily relates to investments, accounts receivable and cash and cash equivalents. The Company monitors and limits its exposure to credit risk on a continuous basis. The Company's credit risk associated with accounts receivable is primarily related to electricity bill payments. To manage this the Company periodically reviews the financial reliability of its customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivables. The carrying amount of financial assets represents maximum credit risk exposure.

investments

The Company limits its exposure to credit risk by generally Investing in short term liquid securitles. The Company does not expect any losses from non-performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors.

Trade receivables

Trade receivables represent the most significant exposure to credit risk and are stated after an allowance for impairment(if any).

Cash and cash equivalents

Cash and cash equivalents comprise cash in hand and deposits which are readily convertible to cash. These are subject to insignificant risk of change in value or credit risk.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

| | As | s at |
|-----------------------------|---------------|---------------|
| | 31 March 2022 | 31 March 2021 |
| Trade and other receivables | 4,100.35 | 1,473.11 |
| Cash and cash equivalents | 5,543.40 | 1,632.61 |
| | 9,643.75 | 3,105.72 |

Since the Company has all of its customers in India, geographically there is no concentration of credit risk. Accordingly, disclosures pertaining to exposure to credit risk for trade receivables are not required.

Management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk.

No significant changes in estimation techniques or assumptions were made during the reporting period.

B. Liquidity risk

The Company is exposed to liquidity risk related to its ability to fund its obligations as they become due. The Company monitors and manages its liquidity risk to ensure access to sufficient funds to meet operational and financial requirements. The Company has access to credit facilities and debt capital markets and monitors cash balances daily. In relation to the Company's liquidity risk, the Company's policy is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions as they fall due white minimizing finance costs, without incurring unacceptable losses or risking damage to the Company's reputation.

Maturities of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are net of unamortised loan processing fees and are undiscounted.

| Particulars | Less than 1 year | 1-5 years | More than 5 years | Tota |
|-----------------------------|---------------------|-----------|----------------------|-----------|
| As at 31 March 2022 | • | | | |
| Non-current borrowings | - | 2,014.25 | 2,193.86 | 4,208.11 |
| Current borrowings | 669.14 | - | | 869.14 |
| Lease liabilities | 10.50 | 46.61 | - | 57,11 |
| Trade payables | 6,104.00 | | - | 6,104.00 |
| Security deposits | 300.00 | | - | 300.00 |
| Other financial liabilities | 669.29 | | - | 669.29 |
| Total | 7,752.93 | 2,060.86 | 2,193.86 | 12,007.65 |
| As at 31 March 2021 | | | | |
| Non-current borrowings | _ | 2,683.38 | 2,193.86 | 4,877.24 |
| Current borrowings | 2,409.26 | | - | 2,409.26 |
| Lease liabilities | 9.61 | 57.13 | - | 66.74 |
| Trade payables | 3,242.07 | - | _ | 3,242.07 |
| Security deposits | | 300.00 | - | 300.00 |
| Other financial liabilities | 238.29 | - | - | 238.29 |
| Total | 5,899,23 | 3.040.51 | 2.193.86 | 11,133,60 |

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022 (All amounts in ₹ jacs, unless otherwise stated)

C. Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The company is not exposed to foreign exchange rate risk.

Price risk

Price risk is the risk that the fair value or future cash flows will fluctuate due to change in market prices. The Company is not exposed to price risk since the Company has no exposures in short term investments like debt or liquid mutual funds as at the balance sheet date.

Interest rate risk

The Company is exposed to short-term interest rate risk on the net of cash and cash equivalents and borrowings. The Company manages interest rate risk by monitoring its mix of fixed and floating rate instruments, and taking action as necessary to maintain an appropriate balance. As at 31 March 2022 and 31 March 2021, the Company was exposed to interest rate risk predominately borrowings white most of its remaining obligations were either non-interest bearing or bear fixed interest rates, and its financial assets were predominately short-term in nature and mostly non-interest bearing.

The exposure of the Company's gross and undiscounted borrowings to interest rate changes at the end of the reporting period are as follows:

| | As a | at |
|---------------------------------|---------------|---------------|
| (a) Interest rate risk exposure | 31 March 2022 | 31 March 2021 |
| Variable rate borrowings | 4,908.70 | 7,327.03 |
| | 4,908.70 | 7,327.03 |

(b) Sensitivity analysis

Profit or loss estimate to higher/lower interest rate expense from borrowings as a result of changes in interest rates.

| | (29.91) | (34 60) | | | |

As at

Interest rates - increase by 70 basis points Interest rates - decrease by 70 basis points

47 Capital Management

The Company's main objectives when managing capital are to:

- ensure ongoing access to funding to maintain, refurbish and expand the electricity generation system;
- ensure sufficient liquidity is available (either through cash and cash equivalents, investments or committed credit facilities) to meet the needs of the business:
- ensure compliance with covenants related to its credit facilities; and
- minimize finance costs while taking into consideration current and future industry, market and economic risks and conditions.
- safeguard its ability to continue as a going concern
- to maintain an efficient mix of debt and equity funding thus achieving an optimal capital structure and cost of capital.

The Board of Directors has the primary responsibility to maintain a strong capital base and reduce the cost of capital through prudent management of deployed funds and leveraging opportunities in domestic and international financial markets so as to maintain investor, creditor and market confidence and to sustain future development of the business.

For the purpose of Company's capital management, capital includes issued capital and all other equity reserves. The Company manages its capital structure in light of changes in the economic and regulatory environment and the requirements of the financial covenants.

The Company manages its capital on the basis of net debt to equity ratio which is net debt (total borrowings net of cash and cash equivalents) divided by total equity.

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value. The following table summarises the capital of the Company.

| | | 11 |
|-----------------------------------|---------------|---------------|
| | 31 March 2022 | 31 March 2021 |
| Total borrowings | 4,877.25 | 7,286.50 |
| Add: Lease liabilitles | 57,11 | 66.74 |
| Total debt (A) | 4,934.36 | 7,353.24 |
| Less: Cash and cash equivalents | 5,543.40 | 1,632.61 |
| Net debt (B) | (609.04) | 5,720.63 |
| Total equity (C) | 29,466.81 | 27,910.10 |
| Capital and net debts (D = B + C) | 28,857.77 | 33,630.73 |
| Net debt to equity ratio (B / C) | -2.07% | 20.50% |
| Capital gearing ratio (A / D) | 17.10% | 21.86% |

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. There were no changes in the objectives, policies or processes for managing capital during the period under reporting.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2022 (All amounts in ₹ lacs, unless otherwise stated)

48 Disclosure of ratios as per requirements of Schedule III to the Act:

| Particulars | 31 March 2022 | 31 March 2021 | Change | Remarks |

| i. Net profit ratio | 13.29% | 10.80% | 23.13% | |
| j. Return on capital employed | 7.01% | 8.54% | -17,89% | |

Formulaes for computation of above ratios are as follows:

- (a) Current ratio = Current assets divided by current liabilities
- (b) Debt Equity ratio = Total debt divided by total equity where total debt refers to sum of current and non-current borrowings
- (c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments
- (d) Return on Equity Ratio / Return on Investment Ratio = Net profit after tax divided by Average Equity
- (e) Inventory Turnover Ratio = Cost of Fuel divided by average inventory
- (f) Trade Receivables turnover ratio = Revenue from operations divided by Average trade receivables
- (g) Trade payables turnover ratio = Purchases of fuel divided by Average trade payables for fuel
- (h) Net capital Turnover Ratio = Sales divided by Net Working capital whereas net working capital= current assets current liabilities
- (i) Net profit ratio = Net profit after tax divided by Revenue from operations
- (j) Return on capital employed = Earning before interest and tax divided by capital employed (where capital employed = total equity + debt)

- (i) Variation is owing to increase in cash and cash equivalents due to redemption of preference shares and receipt of dividend thereon.
- (ii) Variation is owing to reduction in current borrowings on account of repayment of working capital loans during the current year.
- (iii) Variation is owing to significant repayment of term loans during the previous year.
- (iv) Variation is largely owing to increase in settlement cycle of trade receivables.
- (v) Variation is largely owing to increase in settlement cycle of trade payable.
- 49 No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermedianes") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Company ("Ultimate Beneficiaries"). The Company has not received any fund from any party ("Funding Party") with the understanding that the Company shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Company ("Ullimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- 50 Impact of COVID-19

The Company continues to closely monitor the impact of the Coronavirus Disease 2019 (COVID-19), which was declared as a pandemic by the World Health Organisation and has made detailed assessment of the impact of the aforementioned pandemic on its liquidity position and recoverability of its assets as at the balance sheet date and currently believes that there will not be any significant adverse impact on the long-term operations, financial position and performance of the Company.

As per our report of even date.
