

INDEPENDENT AUDITOR'S REPORTTo the Members of **Kota Electricity Distribution Limited****Report on the Audit of the Financial statements****Opinion**

We have audited the accompanying financial statements of **Kota Electricity Distribution Limited** ("the Company"), which comprise the Balance sheet as at 31 March 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Director's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the

Company in accordance with the Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended 31 March 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. No dividend was declared or paid during the year by the company.
 - vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, refer Note 40A to the financial statements. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail of previous year has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in the previous year.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT OF KOTA ELECTRICITY DISTRIBUTION LIMITED, FOR THE YEAR ENDED 31 MARCH 2026
(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) Property, Plant and Equipment and right-of-use assets have been physical verified by the management at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) The Company does not own any immovable properties. Therefore, the provision of clause 3(i)(c) of the said order is not applicable to the Company.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) The management of the Company has conducted physical verification of inventory at reasonable intervals during the year and in our opinion the coverage and procedure of such verification by the management is appropriate.
 - (b) The Company has a working capital limit in excess of ₹ 5 crore sanctioned by banks on the basis of security of current assets and the quarterly returns or statements filed by the company with such banks are in agreement with the books of accounts of the Company.
- iii. The Company has not made any investment in, provided any guarantee or security or granted any loans or advance in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties during the year. Accordingly, clause 3(iii) of the Order is not applicable.
 - iv. The Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of making investments. The Company has not granted any loans as prescribed in Sections 185 Companies Act, 2013 and hence reporting is not applicable to the Company.
 - v. The Company has not accepted or is not holding any deposit or amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rule, 2014. Accordingly, reporting under clause 3(v) of the Order is not applicable.
 - vi. The maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. We have broadly reviewed the books of accounts maintained and are of the opinion that prima facie, the specified accounts and records have been made and maintained.
 - vii. In respect of statutory dues:
 - (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at 31 March 2026 for a period of more than six months from the date they became payable.

- (b) There were no statutory dues referred to in sub-clause (a) above which have not been deposited on account of disputes as on 31 March 2026.
- viii. According to the information and explanation given to us there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961).
- ix. (a) According to the information and explanation given to us, the Company has not defaulted in repayment of its loans or borrowings to banks or in the payment of the interest thereon.
- (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, not been used during the year for long-term purposes by the Company.
- (e) The company does not have any subsidiaries, associates or joint ventures. Accordingly, reporting on clause 3(ix)(e) and clause 3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) There are no whistle-blower complaints received during the year by the company.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports issued to the Company during the year and till the date of our audit report.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

- xvi. In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (d) As represented to us by the management of the Company, the Group has 4 (four) Core Investment Companies as a part of the Group
- xvii. The Company has incurred cash losses during the financial year covered by our audit and the immediately preceding financial year amounting to Rs. Nil and Rs. Nil respectively.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to the information and explanation given to us, the Company does not fulfill the criteria as specified under 135(1) of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 and accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF KOTA ELECTRICITY DISTRIBUTION LIMITED

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Kota Electricity Distribution Limited** ("the Company") as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on "the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2026, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

KOTA ELECTRICITY DISTRIBUTION LIMITED**Notes forming part of Financial Statements for year ended 31st March 2026**

(All amount in Rs. Lakh, unless otherwise stated)

NOTE-1 Kota Electricity Distribution Ltd ("the Company") has entered into a Distribution Franchise Agreement (DFA) on 17 June 2016 with Jaipur Vidyut Vitran Nigam Limited (JVVNL) and CESC Limited for distribution of electricity in Kota City, situated in the state of Rajasthan. The Company is a public company and is incorporated under the provisions of the Companies Act applicable in India. The registered office of the Company is located at CESC House, 1, Chowringhee Square, Kolkata - 700001.

NOTE-2 The operations of the Company, are governed by the Electricity Act, 2003 and various Regulations and / or Policies framed thereunder by the appropriate authorities read with the aforesaid DFA. Accordingly, in preparing the financial statements the relevant provisions of the said Act, Regulations, DFA etc. have been duly considered.

NOTE-3 MATERIAL ACCOUNTING POLICIES

These financial statements have been prepared to comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) notified under Section 133 of the Companies Act, 2013 and other provisions of the Companies Act, 2013 and the regulations under the Electricity Act, 2003 to the extent applicable. A summary of important accounting policies which have been applied consistently are set out below.

(a) Basis of Accounting

The financial statements have been prepared on the historical cost convention except for certain financial assets and liabilities which are measured at fair value.

(b) Use of estimate

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

(c) Property, plant and equipment**i) Tangible Asset**

Tangible Assets are stated at cost of acquisition together with any incidental expenses related to acquisition less accumulated depreciation and accumulated impairment loss, if any. An impairment loss is recognized, where applicable, when the carrying value of tangible assets of cash generating unit exceed its market value or value in use, whichever is higher.

Useful Life of Tangible Assets is as follows:

Particulars	Useful Life of Assets
Buildings and Structures	20-30 Years
Distribution System	15-25 Years
Furniture and Fittings	15-20 Years
Metering Equipment	15-25 Years
Office Equipment	6-20 Years
Plant, Machinery and Equipment	15-25 Years

ii) Intangible Asset

Intangible assets comprising computer software expected to provide future enduring economic benefits are stated at cost of acquisition / implementation / development less accumulated amortisation.

iii) Amortisation

Cost of computer software related expenditure, are amortised as per RERC guidelines

(d) Financial asset

The financial assets are classified in the following categories:

- 1) financial assets measured at amortised cost
- 2) financial assets measured at fair value through profit and loss.

The classification of financial assets depends on the Company's business model for managing financial assets and the contractual terms of the cash flow. At initial recognition, the Company measures a financial asset at its fair value.

Financial assets measured at amortised cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate method. The losses arising from impairment are recognised in the profit or loss.

Financial instruments measured at fair value through profit and loss

Financial instruments included within fair value through profit and loss category are measured initially as well as at each reporting period at fair value plus transaction costs as applicable. Fair value movements are recorded in statement of profit and loss.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. (Refer Note 37)

For trade receivables the simplified approach of expected lifetime losses has been recognised from initial recognition of the receivables as required by Ind AS 109 Financial Instruments.

- (e) **Inventories**
Inventories are valued at lower of cost and net realizable value. Cost is calculated on weighted average basis and comprises expenditure incurred in the normal course of business in bringing such inventories to their location and condition. Obsolete, slow moving and defective inventories are identified at the time of physical verification of inventories and where necessary, adjustment is made for such items.
- (f) **Cash and cash equivalents**
Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and term deposits. For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalent includes cash, cheques and draft on hand, balances with banks which are unrestricted for withdrawal/usages and highly liquid financial investments that are readily convertible to known amount of cash which are subject to an insignificant risk of changes in value. Bank overdraft are shown within borrowing in current liabilities in the balance sheet.
- (g) **Financial liabilities**
Financial liabilities are measured at amortised cost using the effective interest method.
- (h) **Segment reporting**
Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM).
- (i) **Revenue from Operations**
Revenue from Operations include earning from sale of electricity and other operating income and is recognised following the revenue recognition principles as appropriate.
Earning from sale of electricity is net of discount for prompt payment of bills and do not include taxes and duties payable.
Other operating income represents income earned which are incidental to distribution of electricity, like meter rental etc., and are accounted on accrual basis.

The contribution received from consumers in accordance with the Regulations which is being used for property, plant & equipment in order to connect the consumers to power distribution network are recognised as revenue when the service is performed.
- (j) **Other Income**
Income from investments and deposits etc. is accounted for on accrual basis inclusive of related tax deducted at source, where applicable. Interest income arising from financial assets is accounted for using amortised cost method.
Late payment surcharge, as a general practice is determined and recognised on a receipt of overdue payment from consumers.
- (k) **Purchase of Electrical Energy**
Cost of electrical energy purchased represents power purchased from JVVNL by the Company computed as per the methodology provided in the DFA.
- (l) **Employee Benefits**
Employee benefits include cost incurred on human resources deployed by the Company through direct employment, deputation from JVVNL, secondment. The salaries and wages, contributions to Provident Fund and Contributory Pension Fund are accounted for on accrual basis. Provident Fund contributions are made to a fund administered through the office of the Regional Provident Fund Commissioner. The Company, as per its schemes, extend employee benefits current and/or post retirement, which are accounted for on accrual basis and includes actuarial valuation as at the Balance Sheet date in respect of gratuity and leave encashment to the extent applicable, made by independent actuary. Actuarial gain and losses are recognised in Other Comprehensive Income/ Profit & Loss account as the case may be.
- (m) **Finance Costs**
Finance Costs comprise interest expenses and other borrowing costs. Such Finance Costs is charged off to revenue. Interest expense arising from financial liabilities is accounted for in effective interest rate method.
- (n) **Taxes**
Current tax represents the amount payable based on computation of tax as per prevailing taxation laws under the Income Tax Act, 1961.
Provision for deferred taxation is made using liability method on temporary difference arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred Tax Assets are recognized subject to the consideration of prudence and are periodically reviewed to reassess realization thereof. Deferred Tax Liability or Asset will give rise to actual tax payable or recoverable at the time of reversal thereof.

Current and Deferred tax relating to items recognised outside profit or loss, that is either in other comprehensive income (OCI) or in equity, is recognised along with the related items
- (o) **Provisions and contingent liabilities**
Provisions are recognised when the Company has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.
A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of the amount cannot be made.

(p) **INDAS 116 – Leases**

The Company's lease asset classes primarily consist of leases for land, buildings and plant and machinery. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

NOTE-3A SUMMARY OF SIGNIFICANT JUDGEMENTS AND ASSUMPTIONS

The preparation of financial statements requires the use of accounting estimates, judgements and assumptions which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

The areas involving critical estimates or judgements are :-

Estimated useful life of Intangible Assets -Note -3 (c) (ii)

Estimates used in Actuarial Valuation of Employee benefits -Note- 32A

NOTE- 3B CHANGES IN EXISTING IND AS

The Company has evaluated the amendments and updates to Indian Accounting Standards (Ind AS) notified by the Ministry of Corporate Affairs (MCA) and guidance issued by the Institute of Chartered Accountants of India (ICAI) during the period from 1st April, 2025 to 31st March, 2026. These amendments, inter alia, include changes relating to the classification of liabilities as current or non-current, clarification on accounting estimates, deferred tax on leases, disclosures pertaining to supplier finance arrangements, and guidance on lease accounting.

Based on the assessment carried out, the Company does not expect any material impact of these amendments on the recognition and measurement of items in the financial statements. Further, these changes do not have any bearing on the operations of the Company. However, wherever applicable, the Company will incorporate the necessary additional disclosures in its financial statements.

Mortality Rate

Mortality rates prior to retirement for the valuation as at 31st March 2026 were taken from the standard table – Indian Assured Lives Mortality (2012-14) ultimate. The same for the valuation as at 31st March 2025 were also taken from the same standard table – Indian Assured Lives Mortality (2012-14) ultimate.

Risks to which the plan exposes the entity i.e. the valuation results may go wrong:

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary over time. Thus, the Company is exposed to various risks in providing the above benefit which are as follows:

Interest Rate risk: The plan exposes the Company to the rise of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

Liquidity Risk: This is the risk that the Company is not able to meet the short-term Benefit payouts. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

Salary escalation Risk: The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic Risk: The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

Regulatory Risk : Benefit is paid in accordance with the Provisions of Gratuity Act 1972 (as may be amended from time to time). There is a risk of change in provisions of Gratuity Act requiring higher Plan Benefit pay outs (e.g. change in benefit formula).

Asset Liability Mismatching or Market Risk: The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities/fall in interest rate.

Investment Risk: The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

Note:

Pursuant to the notification by the Ministry of Labour & Employment on 21 November 2025 in respect of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as "the Labour Codes"), the Company has carried out a preliminary assessment of the consequential impact on employee benefit obligations. Based on such assessment, the Company has recognized an incremental provision towards past service cost relating to gratuity and leave encashment amounting to Rs. 103.11 lakh for the Year ended 31st March 2026 which has been charged under "Employee benefit expense" in the Statement of Profit and Loss, based on information available up to the date of authorisation of the financial statements. Given that the matter is evolving and the final Central and State Rules are yet to be notified, the Company will continue to monitor developments and will recognise any further impact as and when required, based on future notifications and clarifications.

As at 31st March 2026					
Financial assets					
Investment in liquid mutual fund units	-	-	-	-	-
As at 31st March 2025					
Financial assets					
Investment in liquid mutual fund units	-	-	-	-	-
Total financial assets	-	-	-	-	-

The different levels have been defined below:

Level 1: financial instruments measured using quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)

Level 3: inputs for the asset or liability that are not based on observable market data.

b) The following methods and assumptions were used to estimate the fair values

- The carrying amounts of trade receivables, trade payables, other bank balances, cash and cash equivalents, current borrowings are considered to be the same as their fair values, due to their short term nature.
- Security deposit on rented premises is based on discounted cash flows using a current borrowing rate.
- Fair value of financing instruments which is determined on the basis of discounted cash flow analysis, considering the nature, risk profile and other qualitative factor. The carrying amount will be reasonable approximation of the fair value

NOTE- 35 For the year ended 31st March 2026, Revenue under Other Operating Revenue include Rs 2040.95 lakh (31st March 2025: Rs 1,172.97 lakh) being contribution from consumers related to such capital jobs which are completed within 31st March 2026.

NOTE- 36 Financial risk management

The Company's activities expose it to credit risk, liquidity risk, capital risk and market risk (including interest rate risk and currency risk). The Company's overall risk management strategy seeks to minimise adverse effects from the unpredictability of the financial markets on the Company's financial performance.

The Board of Directors is responsible for setting the objectives and underlying principles of financial risk management for the Company.

i) Credit risk

In order to manage credit risk arising from sale of electricity, multipronged approach is followed like precipitation of action against defaulting consumers, obtaining support of the administrative authority. The trade receivables are secured by the security deposits obtained and maintained by the Jaipur Vidyut Vitran Nigam Limited from consumers.

ii) Liquidity risk

The Company manages its liquidity risk on financial liabilities by maintaining healthy working capital and liquid fund position keeping in view the maturity profile of its borrowings and other liabilities as disclosed in the respective notes.

iii) Market risk

a) Interest rate risk

The Company is exposed to interest rate risk because it borrows fund at both fixed and floating interest rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowing

b) Currency risk

The Company has no foreign currency risk exposure.
