Preliminary

AGREEMENT FOR PROCUREMENT OF POWER¹

THIS AGREEMENT is entered into on this the day of....., 20.....

BETWEEN

1 [The Distribution Company], a company incorporated under the provisions of the Companies Act, 1956/2013, represented by its [Managing Director/Authorised Person] and having its registered offices at (hereinafter referred to as the “**Utility**” which expression shall, unless repugnant to the context or meaning thereof, include its administrators, successors and assigns) of One Part;

AND

2 LIMITED, a company incorporated under the provisions of the Companies Act, 1956/2013 represented by its [Managing Director/Authorised Person] and having its registered office at, (hereinafter referred to as the “**Supplier**” which expression shall, unless repugnant to the context or meaning thereof, include its successors and permitted assigns and substitutes) of the Other Part.

WHEREAS:

- (A) The Utility has resolved to procure electricity from a power generating station that would deliver a Contracted Capacity of **200 MW** at the Delivery Point in accordance with the terms and conditions to be set forth in an agreement for procurement of power to be entered into under and in accordance with the provisions of the Electricity Act, 2003.
- (B) The Utility had accordingly invited proposals by its Request for Qualification dated *** (the “**Request for Qualification**” or “**RFQ**”) for short listing of Bidders who offer to supply electricity from power generating station, and had shortlisted certain Bidders including, *inter alia*, the selected bidder.
- (C) The Utility had prescribed the technical and commercial terms and conditions, and invited bids in accordance with the Guidelines issued by the Central Government under Section 63 of the Act vide Notification No.dated(the “**Request for Proposals**” or “**RFP**”) from the Bidders shortlisted pursuant to the RFQ for undertaking the Project.
- (D) After evaluation of the Bids received, the Utility had accepted the Bid of the selected bidder and issued its Letter of Award No. dated (hereinafter called the “**LOA**”) to the selected bidder requiring, *inter alia*, the execution of this Agreement for Procurement of Power within 30 (thirty) days of the date of issue thereof.
- (E) Omitted
- (F) In pursuance of the LOA, the Parties have agreed to enter into this Agreement for Procurement of Power on the terms and conditions set forth hereinafter.

NOW, THEREFORE, in consideration of the foregoing and the respective covenants and agreements set forth in this Agreement for Procurement of Power, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, the Parties agree as follows:

ARTICLE 1

- (f) between any value written in numerals and that in words, the latter shall prevail.

Part II

The Procurement Contract

ARTICLE 2

SCOPE OF THE PROJECT

2.1 Scope of the Project

The scope of the Agreement (the “**Scope of the Agreement**”) shall mean and include, during the Contract Period:

- (a) ensure the operation and maintenance of the Power Station, situated at the Site described in Schedule-A and having the principal features stated therein, in accordance with the provisions of this Agreement;
- (b) supply of electricity to the Utility in accordance with the provisions of this Agreement; and
- (c) performance and fulfilment of all other obligations of the Supplier and the Utility, as the case may be, in accordance with the provisions of this Agreement and matters incidental thereto or necessary for the performance of any or all of the obligations of the Supplier under this Agreement.

ARTICLE 3
GRANT OF PROCUREMENT CONTRACT

3.1 The Procurement Contract

- 3.1.1 Subject to and in accordance with the provisions of this Agreement, Applicable Laws and the Applicable Permits, the Utility hereby awards to the Supplier the procurement contract set forth herein [for producing electricity at the Power Station” if Supplier is NOT a Trading Licensee] supply thereof to the Utility (the “**Procurement Contract**”) for a period of three [3] years commencing from the Appointed Date and the Supplier hereby accepts the Procurement Contract and agrees to implement the same subject to and in accordance with the terms and conditions set forth herein.
- 3.1.2 Subject to and in accordance with the provisions of this Agreement, the Procurement Contract hereby awarded shall oblige or entitle (as the case may be) the Supplier to:
- (a) finance, own, operate and maintain the Power Station in accordance with this Agreement” if Supplier is NOT a Trading Licensee, or ensure that the Developer finances, owns, operates and maintains the Power Station in accordance with this Agreement” if Supplier is a Trading Licensee];
 - (b) [procure if Supplier is NOT a Trading Licensee, or ensure that the Developer procures if Supplier is a Trading Licensee] Availability of the Contracted Capacity for production of electricity and supply thereof to the Utility under and in accordance with the provisions of this Agreement, save and except as expressly provided in the Agreement;
 - (c) to receive Fixed Charge from the Utility in respect of the Availability of Contracted Capacity;
 - (d) to receive Variable Charge in accordance with the provisions of this Agreement;
 - (e) perform and fulfil all of the Supplier’s obligations under and in accordance with this Agreement;
 - (f) save as otherwise expressly provided in this Agreement, bear and pay all costs, expenses and charges in connection with or incidental to the performance of the obligations of the Supplier under this Agreement.

3.2 Substitution of the Utility

- 3.2.1 The Parties expressly agree that the Utility may, in pursuance of any re-organisation or restructuring undertaken in pursuance of Applicable Laws, or if it is unable to discharge its liabilities and obligations under this Agreement, substitute itself by another Distribution Licensee(s) and upon such substitution, all the functions, rights and obligations of the Utility under this Agreement shall be deemed to be transferred to the substituted entity in accordance with and subject to Applicable Laws. Provided, however, that prior to any substitution hereunder, the Parties shall, on a best endeavour basis, make such arrangements and enter into such further agreements as may be necessary for performance of their respective obligations hereunder, including the rights and obligations arising out of the provisions of Article 13. Provided further that prior intimation of the substitution shall be given to the Supplier.

- 3.2.2 In the event of additional Licensees operating in the same area of supply post the signing of this Agreement, the existing PPA may be reallocated in full or part by the competent authority to the other licensees in proportion to the number of consumers/ demand of power with the different licensees and the present Agreement shall apply to all such subsequent Licensees.

ARTICLE 4

CONDITIONS PRECEDENT

4.1 Conditions Precedent

4.1.1 Save and except as expressly provided in Articles 4, 5, 6, 7, 8, 9, 17, 19, 23 and 25, or unless the context otherwise requires, the respective rights and obligations of the Parties under this Agreement shall be subject to the satisfaction in full of the conditions precedent specified in this Clause 4.1 (the “**Conditions Precedent**”). Provided, however, that a Party may grant waiver from satisfaction of any Condition Precedent by the other Party in accordance with the provisions of Clauses 4.1.2 or 4.1.3, as the case may be, and to the extent of such waiver, that Condition Precedent shall be deemed to be fulfilled for the purposes of this Clause 4.1.1.

4.1.2 The Supplier may, upon providing the Performance Security to the Utility in accordance with Article 9, at any time after 15 (fifteen) days from the date of this Agreement or on an earlier day acceptable to the Utility, by notice require the Utility to satisfy any or all of the Conditions Precedent set forth in this Clause 4.1.2 within a period of **30 (thirty)** days of the notice, and the Conditions Precedent required to be satisfied by the Utility shall be deemed to have been fulfilled when the Utility shall have:

- (a) Omitted
- (b) Omitted
- (c) Submitted petition for approval of the Commission for payment of Tariff by the Utility to the Supplier in accordance with the provisions of this Agreement;
- (d) Not Used
- (e) provided Performance Security to the Supplier;
- (f) Provided to the Supplier, an unconditional, revolving and irrevocable Letter of Credit in accordance with the provisions of Clause 13.2.1.

Provided that upon request in writing by the Utility, the Supplier may, in its reasonable discretion, grant extension of time, not exceeding 90 (Ninety) days, for fulfilment of the Conditions Precedent set forth in this Clause 4.1.2.

4.1.3 The Conditions Precedent required to be satisfied by the Supplier within a period of 90 (ninety) days from the date of this Agreement shall be deemed to have been fulfilled when the Supplier shall have:

- (a) provided Performance Security to the Utility;
- (b) delivered to the Utility a legal opinion from the legal counsel of the Supplier with respect to the authority of the Supplier to enter into this Agreement and the enforceability of the provisions thereof;
- (c) deposited a certified true copy of this Agreement with the RLDC and SLDC having jurisdiction and obtained a receipt thereof, in accordance with the provisions of Clauses 14.3.3 and 19.4.1;
- (d) submitted the Capacity Certificate and evidence of the capacity of the Power Station;

(e) Omitted

(f) procured access to the intrastate transmission system required for carrying electricity from the Power Station to the Delivery Point;

Provided that upon request in writing by the Supplier, the Utility may, in its discretion, waive any of the Conditions Precedent set forth in this Clause 4.1.3 or grant extension of time, not exceeding 90 (ninety) days, for fulfilment thereof, as the case may be. For the avoidance of doubt, the Utility may, in its sole discretion, grant any waiver hereunder, with such conditions as it may deem fit.

4.1.4 Each Party shall make all reasonable endeavours to satisfy the Conditions Precedent within the time stipulated and shall provide the other Party with such reasonable cooperation as may be required to assist that Party in satisfying the Conditions Precedent for which that Party is responsible.

4.1.5 The Parties shall notify each other in writing at least once a fortnight on the progress made in satisfying the Conditions Precedent. Each Party shall promptly inform the other Party when any Condition Precedent for which it is responsible has been satisfied.

4.2 Damages for delay by the Utility

In the event that (i) the Utility does not procure fulfilment or waiver of any or all of the Conditions Precedent set forth in Clause 4.1.2 within the period specified in respect thereof, and (ii) the delay has not occurred as a result of breach of this Agreement by the Supplier or due to Force Majeure, the Utility shall pay to the Supplier Damages in an amount calculated at the rate of 0.5% (zero point five per cent) of the Performance Security for each day's delay until the fulfilment of such Conditions Precedent, subject to a maximum of the Performance Security-and upon making such maximum, the Supplier may at its sole discretion, terminate this Agreement-

4.3 Damages for delay by the Supplier

In the event that (i) the Supplier does not procure fulfilment or waiver of any or all of the Conditions Precedent set forth in Clause 4.1.3 within the period specified in that Clause and (ii) the delay has not occurred as a result of failure to fulfil the obligations under Clause 4.1.2 or other breach of this Agreement by the Utility or due to Force Majeure, the Supplier shall pay to the Utility Damages in an amount calculated at the rate of 0.5% (zero point five per cent) of the Performance Security for each day's delay until the fulfilment of such Conditions Precedent, subject to a maximum amount equal to the Bid Security, and upon reaching such maximum, the Utility may, in its sole discretion, terminate the Agreement. Provided that in the event of delay by the Utility in procuring fulfilment of the Conditions Precedent specified in Clause 4.1.2, no Damages shall be due or payable by the Supplier under this Clause 4.3 until the date on which the Utility shall have procured fulfilment of the Conditions Precedent specified in Clause 4.1.2.

4.4 Deemed Termination upon delay

Without prejudice to the provisions of Clauses 4.2 and 4.3, and subject to the provisions of Clause 9.2, the Parties expressly agree that in the event the Appointed Date does not occur, for any reason whatsoever, 120 (one hundred twenty) days from the date of

this Agreement or the extended period provided in accordance with this Agreement, all rights, privileges, claims and entitlements of the Supplier and the Utility under or arising out of this Agreement shall be deemed to have been waived by, and to have ceased with the concurrence of the parties, and the Agreement for Procurement of Power shall be deemed to have been terminated by mutual agreement of the Parties. Provided, however, that in the event the delay in occurrence of the Appointed Date is for reasons attributable to the Supplier, the Performance Security of the Supplier shall be encashed and appropriated by the Utility as Damages thereof. Provided further that in the event the delay in occurrence of the Appointed Date is for reasons attributable to the Utility, the Performance Security given by the Utility shall be encashed and appropriated by the Supplier as Damages thereof.

4.5 Extension of Term of Agreement

In the event the damages are paid by the defaulting party as per provisions of clause 4.2 and 4.3 and the Agreement has not been terminated as per the provisions of Clause 4.4, the term of the Agreement shall be deemed to have been extended corresponding to the period of delay in fulfilment of conditions precedent. [For eg – If there is a delay of 15 days in the fulfilment of conditions precedent and the defaulting party has paid the applicable damages, the Appointed date shall start after 15 days from the originally stipulated Appointed Date.]

4.6 Date of Commencement of Supply

The date of commencement of supply shall be **01.05.2024**. The date of commencement shall be advanced by such number of days by which the Appointed Date has been extended as per Clause 4.5.

ARTICLE 5
OBLIGATIONS OF THE SUPPLIER

5.1 Obligations of the Supplier

PERFORMANCE SECURITY BY THE SUPPLIER AND THE UTILITY¹⁵

9.1 Performance Security

- 9.1.1 The Supplier shall, for the performance of its obligations hereunder, provide to the Utility no later than 30 (thirty) days from the date of this Agreement, an irrevocable and unconditional guarantee from a Schedule Bank for a sum equivalent to Rs. ***** crore (Rupees ***** crore)¹⁶ in the form set forth in Schedule-B (the “**Performance Security**”) valid for a period ending 6 (six) months after date of commencement of supply. The amount towards the Performance Security can be paid through NEFT/RTGS/also.
- 9.1.2 The Utility shall, for the performance of its obligations hereunder, provide to the Supplier no later than 30 (thirty) days from the date of this Agreement, an irrevocable and unconditional guarantee from a Schedule Bank for a sum equivalent to Rs. ***** crore (Rupees ***** crore)¹⁷ in the form set forth in Schedule-B (the “**Performance Security-Utility**”) valid for a period ending 6 (six) months after date of commencement of supply.
- 9.1.3 Until such time the Performance Security is provided by the Supplier pursuant hereto and the same comes into effect, the Bid Security shall remain in force and effect, and upon such provision of the Performance Security pursuant hereto, the Utility shall release the Bid Security to the Supplier.
- 9.1.4 Notwithstanding anything to the contrary contained in this Agreement, in the event Performance Security is not provided by the Supplier within a period of 45 (forty five) days from the date of this Agreement the Utility may encash the Bid Security and appropriate the proceeds thereof as Damages, and thereupon all rights, privileges, claims and entitlements of the Supplier under or arising out of this Agreement shall be deemed to have been waived by, and to have ceased with the concurrence of the Supplier, and this Agreement, shall be deemed to have been terminated with the consent of the Supplier.

9.2 Appropriation of Performance Security

- 9.2.1 Upon occurrence of a Supplier Default or failure to meet any Condition Precedent, the Utility shall, without prejudice to its other rights and remedies hereunder or in law, be entitled to encash and appropriate from the Performance Security the amounts due to it for and in respect of such Supplier Default or for failure to meet any Condition Precedent. Upon such encashment and appropriation from the Performance Security,

¹⁵The Performance Security may be replaced by an Insurance Bond or a similar instrument at the discretion of the Utility.

¹⁶To be calculated @ Rs. 10,00,000 (Rs. ten lakh) per MW of Contracted Capacity. This may be increased to Rs. 15,00,000 (Rs. Fifteen lakh) per MW of Contracted Capacity if Contracted Capacity is less than 500 MW and Rs. 8,00,000 (Rs. eight lakh) per MW of Contracted Capacity if Contracted Capacity is more than 1000 MW.

¹⁷To be calculated @ Rs. 10,00,000 (Rs. ten lakh) per MW of Contracted Capacity. This may be increased to Rs. 15,00,000 (Rs. Fifteen lakh) per MW of Contracted Capacity if Contracted Capacity is less than 500 MW and Rs. 8,00,000 (Rs. eight lakh) per MW of Contracted Capacity if Contracted Capacity is more than 1000 MW.

the Supplier shall, within 15 (fifteen) days thereof, replenish, in case of partial appropriation, to the original level of the Performance Security, and in case of appropriation of the entire Performance Security provide a fresh Performance Security, as the case may be, failing which the Utility shall be entitled to terminate this Agreement in accordance with Article 19. Upon such replenishment or furnishing of a fresh Performance Security, as the case may be, the Supplier shall be entitled to an additional Cure Period of 120 (one hundred and twenty) days for remedying the Supplier Default or to meet any Condition Precedent, and in the event of the Supplier not curing its default or meeting such Condition Precedent within such Cure Period, the Utility shall be entitled to encash and appropriate the Performance Security as Damages, and to terminate this Agreement in accordance with Article 19.

- 9.2.2 Upon occurrence of a Utility Default or failure to meet any Condition Precedent, the Supplier shall without prejudice to its other rights and remedies hereunder or in law, be entitled to encash and appropriate from the Performance Security- Utility. Upon such encashment and appropriation from the Performance Security-Utility, the Utility shall, within 15 (fifteen) days thereof, replenish, in case of partial appropriation, to the original level of the Performance Security-Utility, and in case of appropriation of the entire Performance Security-Utility provide a fresh Performance Security-Utility, as the case may be, failing which the Supplier shall be entitled to terminate this Agreement in accordance with Article 19. Upon such replenishment or furnishing of a fresh Performance Security-Utility, as the case may be, the Utility shall be entitled to an additional Cure Period of 120 (one hundred and twenty) days for remedying the default and in the event of the Utility not curing its default within such Cure Period, the Supplier shall be entitled to encash and appropriate the Performance Security-Utility as Damages, and to terminate this Agreement in accordance with Article 19.

9.3 References to Performance Security

References to Performance Security or Performance Security-Utility occurring in this Agreement for and in respect of any period prior to the delivery of the Performance Security by one party to the other, or in respect of any period subsequent to the expiry or release thereof, as the case may be, shall be construed solely for the purposes of calculating the amount of Damages payable by the parties.

Provided that in case of Damages payable by the Supplier so determined shall be appropriated from the Bid Security prior to the submission of the Performance Security.

ARTICLE 10

ALLOCATION OF CAPACITY

10.1 Contracted Capacity

Pursuant to the provisions of this Agreement, the Supplier shall dedicate a capacity of 200 MW to the Utility as the capacity contracted at Delivery Point hereunder (the “**Contracted Capacity at Delivery Point**”)¹⁸ and the Contracted Capacity shall at all times be operated and utilised in accordance with the provisions of this Agreement.

10.2 Dispatch of unutilized Contracted Capacity

10.2.1 In the event the Utility, does not schedule a quantum of power out of its Contracted Capacity before opening of bidding window of power exchange for day ahead collective transactions, the Supplier shall be entitled to sell such un-requisitioned power on power exchange under day ahead or real time collective transaction or intra-day transaction.

Provided that in such cases, Utility shall not be entitled to recall full or part of its un-requisitioned capacity.

Provided further that if the Supplier is able to sell the un-requisitioned power, sharing of gain from such sale of such power shall be as per applicable rules issued by the Ministry of Power.

10.3 Substitute Supply

In the event the Availability of the Power Station is reduced on account of scheduled maintenance, unscheduled maintenance, delay in commercial operation, shortage of Fuel or Force Majeure, the Supplier may, supply electricity from any alternative source, and such supply shall, for payment of Fixed Charge and Variable Charge, be deemed to be supply under and in accordance with the provisions of this Agreement.

Provided further that such supply of electricity from any alternative source shall be limited to 180 (one eighty) days at a time and 365 (three hundred and sixty five) days for the entire Contract Period. For the avoidance of doubt, the Parties agree that in the event the Utility rejects any supply of electricity offered hereunder from an alternative source, the Supplier shall be deemed to be in compliance with this Agreement for the purpose of determination of Availability and payment of Fixed Charge.

Provided also that the Supplier may supply the Contracted Capacity in a flexible manner by bundling with renewable sources and storage power as per Government of India orders in this regard.

10.4 Supply during Designated Hours

Omitted.

10.5 Supply on Round the Clock Basis

The Supplier shall ensure the Availability, equivalent to Contracted Capacity, of the Power Station during peak hours of the day comprising 2 (two) hours upto or before 08:00 (eight hundred) hours in the morning, 2 (two) hours during 13:00 [thirteen hundred] and 17:00 [seventeen hundred] in the afternoon and 2 (two) hours from or after 20:00 (twenty

hundred) hours in the evening, at the timing to be specified by the Utility with a notice of 30 (thirty) days to the Supplier (the “**Peak Hours**”). The Supplier shall Supply balance energy for a day, after provisioning for energy during Peak Hours, as per the hydrology (water inflow) of the plant subject to Supply of the Contracted Capacity during Off-Peak hours which are the balance hours of a day not covered under Peak Hours (the “**Off-Peak Hours**”).

ARTICLE 11

TARIFF

11.1 Tariff

11.1.1 The Utility shall pay to the Supplier tariff comprising the sum of Fixed Charge and Variable Charge payable by the Utility to the Supplier for Availability and for supply of electricity, as the case may be, in accordance with the provisions of this Agreement (the “**Tariff**”).

11.1.2 As a part of the Tariff, the Utility shall pay to the Supplier an amount, determined in accordance with the provisions of this Article 11, as the Fixed Charge for Availability-of the Power Station to the extent of Normative Availability thereof (the “**Fixed Charge**”).

11.2 Fixed Charge

The Parties agree that the fixed charge payable for Availability during May – September every year shall, in accordance with the offer of the Supplier for the entire contract period, be Rs.....(Rupees)^{\$}per kWh (the “**Fixed Charge**”), which shall not be revised annually.

11.3 Fixed Charge

Omitted.

11.4 Computation of Fixed Charge

11.4.1 Subject to the provisions of this Clause 11.4, the Fixed Charge, shall be the Fixed Charge payable for Availability in each applicable month of the relevant Accounting Year.

11.4.2 The obligations of the Utility to pay Fixed Charges shall in no case exceed an amount equal to the Fixed Charge for the contractual period (May to September) in any Accounting Year corresponding to the Normative Availability of 85% (eighty five per cent) computed with reference to the Contracted Capacity at Delivery Point (the “Capacity Charge”) in terms of Clause 5.1.2, subject to maintaining at least 85% availability by the Supplier at the Delivery Point corresponding to the Contracted Capacity at the Delivery Point.

11.4.3 Provided that if Availability in a particular month falls below 85%, the Utility shall pay Fixed Charge corresponding to actually achieved Availability on a pro-rata basis, as ascertained from the record (s) / certificate (s) of the Load Despatch Centre (s).

²¹ The words in square parenthesis may be omitted if the procurement of electricity is not to be confined to Designated Hours.

^{\$} This amount shall be the amount specified in the Bid, which shall not less than Re. 1 (Rupee one) per kWh in any case or such minimum amount as may be specified in the RFP.

Provided that the Availability to be considered for calculation of Fixed Charges shall be calculated on cumulative basis (for the contractual period of May to September) and reconciled annually for the specified months (May to September) for each year of the contract period.

It is being clarified that for energy beyond 85% Normative Availability, only Energy Charges shall be payable by the Utility.

11.4.4 In the event that any shortfall in supply of electricity to the Utility occurs on account of deficiency in intra state transmission system in accordance with the provision of Clause 5.3, Availability shall be deemed to be reduced in accordance with the provisions of Clause 11.5.2 and the Non-Availability arising as a consequence thereof shall, for the purposes of payment of Fixed Charge, be deemed to be Availability to the extent of 50% (fifty per cent) of the Non-Availability hereunder. Provided, however, that the Supplier may, in its sole discretion, Despatch the Power Station to the extent of full or part Non-Availability hereunder for supply to other Utilities or Buyers, as the case may be, and to the extent of full or part Non-Availability hereunder for supply to other Buyers, and to the extent of such Despatch, the Utility shall not be liable to payment of any Fixed Charge due and payable in accordance with the provisions of this Clause 11.4.3. Provided further that sharing of gain from sale of such power shall be in the same manner as provided for sale of un-requisitioned power in applicable rules issued by the Ministry of Power, as amended from time to time. For the avoidance of doubt, the Parties expressly agree that if such deficiency in transmission is caused by an action or omission attributable to the Supplier, it shall not be reckoned for the purposes of computing Availability hereunder.

11.4.5 Omitted..

11.5 Declaration of Availability

11.5.1 Omitted .

11.5.2 In the event that any shortfall in supply of electricity to the Utility occurs on account of any deficiency in intra state transmission system in accordance with clause 5.3, the Availability shall be deemed to be reduced to the extent of reduction in transmission of electricity, and the reduction referred to hereinabove shall be deemed as Non-Availability on account of deficiency in transmission. For the avoidance of doubt and by way of illustration, the Parties agree that if such deficiency in transmission is equal to 20% (twenty per cent) of the entitlement of the Utility in the Contract Capacity, the Availability shall be deemed to be 80% (eighty per cent) and the Non-Availability hereunder shall be notified by the [Supplier *if Supplier is NOT a Trading Licensee, or*

²² The words in square parenthesis in Clauses 11.4.2 and 11.4.3 may be added if procurement of electricity is to be confined to Designated Hours.

Developer through the Supplier *if Supplier is a Trading Licensee*]to the Utility forthwith.

11.5.3 Omitted

11.5.4 The Supplier shall notify, no later than 15 (fifteen) days prior to the commencement of a month, *[if Supplier is NOT a Trading Licensee, or Developer's if Supplier is a Trading Licensee]* maintenance schedule for that month and any reduction in Availability arising as a result thereof. The Supplier shall, as soon as may be, notify any modifications of *[if Supplier is NOT a Trading Licensee, or Developer's if Supplier is a Trading Licensee]* maintenance schedule and shall confirm, with or without modifications, the reduction in Availability no later than 48 (forty eight) hours prior to its occurrence.

11.5.5 In the event that the Availability at any time is determined to be lower than 100% (one hundred per cent) of the Contracted Capacity or the reduced Availability notified hereunder, an event of mis-declaration of Availability (the “**Mis-declaration**”) shall be deemed to have occurred. In such an event, the Availability for the relevant month shall, for the purposes of payment of Fixed Charge, be deemed to be reduced by the same proportion that Availability bears to Mis-declaration, as if the Mis-declaration had occurred for a period of one month. For the avoidance of doubt, the Parties agree that deductions on account of Mis-declaration shall be made from the subsequent payments due to the Supplier under this Agreement.

11.5.6 Notwithstanding the provisions of Clause 11.5.5, any reduction in Availability arising out of outage due to Emergency or a Force Majeure Event shall not be deemed to be Mis-declaration if the Supplier shall have notified the Utility in accordance with the provisions of Clauses 17.5.

11.6 Damages

11.6.1 In the event that Availability in any month is less than the Normative Availability, the Fixed Charge for such month shall be reduced to the extent of shortfall in Normative Availability and in addition, any reduction below the Normative Availability shall be multiplied by a factor of 0.25 (zero point two five) to determine the Damages payable for such reduction in Availability. For the avoidance of doubt, the Parties agree that the Damages to be deducted for any reduction in Normative Availability shall be 25% (twenty five per cent) of the Fixed Charge which is reduced on account of shortfall in Availability below Normative availability.

Provided that a penalty at the rate of upto 1 % (one per cent) of annual Fixed Charge shall be applicable in case of failure to achieve ramp rate of 1% per minute as per methodology described in Schedule-G.

11.6.2 The Parties expressly agree that within 30 (thirty) days of the close of every Accounting Year, the cumulative monthly Availability for such year shall be determined and the Damages, if any, shall be computed with reference to the Normative Availability for that year. The amount so arrived at shall be adjusted against the Damages determined for the respective months of the year and the balance remaining shall be adjusted in the following Monthly Invoice.

11.7 Variable Charge

The Utility shall pay to the Supplier, as part of Tariff, a Variable Charge to be determined in accordance with the provisions of Article 12.

11.8 Taxes and duties

11.8.1 The Parties expressly agree that the Tariff shall be inclusive of all taxes and duties, save and except the taxes and duties specified in Clause 11.8.2. It is further agreed that the Supplier shall pay all taxes and duties, including the taxes and duties specified in Clauses 11.8.2, in accordance with Applicable Laws.

11.8.2 The Tariff payable by the Utility under this Article 11 shall be exclusive of Goods and Service Tax, Electricity Duty, Value Added Tax or Goods and Service Tax, Custom Duty on Fuel or any replacement thereof, if applicable, and any Goods and Service Tax, Electricity Duty, Value Added Tax or Goods and Service Tax and Custom Duty on Fuel thereon shall be paid by the Supplier and reimbursed by the Utility upon submission of necessary particulars by the Supplier.

11.8.3 Any payment to be made by the Utility shall be subject to any tax deduction at source, if required to be made by the Utility as per Applicable Laws.

11.9 Billing and Payment

11.9.1 Commencing from the month following the month in which the Appointed Date occurs, the Supplier shall, by the 5th (fifth) day of such and each succeeding month (or, if such day is not a Business Day, the immediately following Business Day), submit in triplicate to the Utility, an invoice in the agreed form (the “**Monthly Invoice**”) signed by the authorised signatory of the Supplier setting out the computation of the Fixed Charge and Variable Charge to be paid by the Utility to the Supplier in respect of the immediately preceding month in accordance with the provisions of this Agreement.

Provided that the Monthly Invoice and supporting documents specified in 11.9.2 submitted through email shall also be acceptable to the Utility. However, hard copies of Monthly Invoice and supporting documents specified in 11.9.2 should reach office of the Utility within 5 days of email.

11.9.2 The Supplier shall, with each Monthly Invoice submit, (a) a certificate that the amounts claimed in the invoice are correct and in accordance with the provisions of the Agreement; (b) proof of Availability for the period billed, comprising evidence of communications regarding the extent of Non-Availability from time to time; (c) official documents in support of the variation in WPI as specified in Clause 11.3; (d) detailed calculations of the Fixed Charge for Availability in accordance with this Article 11; (e) detailed calculations of the Variable Charge, in respect of the electricity dispatched, computed in accordance with Article 12; (f) detailed calculations of the Damages in accordance with the provisions of Clause 11.6; (g) details in respect of taxes/duties payable/reimbursable in accordance with the provisions of this Agreement; (h) details of the Fixed Charge to be adjusted by the Supplier in respect of sale of power to Buyers; (i) details in respect of Damages payable in accordance with the provisions of this Agreement; (j) adjustments, if any, on account of revision of the transmission charges referred to in Clause 5.3; (k) proportionate adjustment on account of transmission losses to be determined in accordance with Clause 5.4; and (l) the net amount payable under the Monthly Invoice.

11.9.3 The Utility shall, within 30 (thirty) days of receipt of a Monthly Invoice in accordance with Clause 11.9.1 (the “**Payment Due Date**”), make payment of the amount claimed directly, through electronic transfer, to the nominated bank account of the Supplier, save and except any amounts which it determines as not payable or disputed (the “**Disputed Amounts**”).

11.9.4 All Damages and any other amounts due and payable by the Supplier in accordance with the provisions of this Agreement may be deducted from the Tariff due and payable to the Supplier and in the event the deductions hereunder exceed the Tariff in that month, the balance remaining shall be deducted from the Tariff due and payable to the Supplier for the immediately following month.

11.10 Disputed Amounts

11.10.1 The Utility shall, within 10 (ten) days of receiving an invoice, notify the Supplier of the Disputed Amounts, with particulars thereof. Within 7 (seven) days of receiving such notice, the Supplier shall present any information or evidence as may reasonably be required for determining that such Disputed Amounts are payable. The Utility may, if necessary, meet a representative of the Supplier for resolving the dispute and in the event that the dispute is not resolved amicably, the Dispute Resolution Procedure shall apply. For the avoidance of doubt, even if a dispute is resolved amicably, any amount paid after the Payment Due Date shall be deemed as delayed payment for the purposes of payment of interest thereon and provisions of the applicable rules issued by the Ministry of Power, as amended from time to time, shall be applicable on such delayed payments. For the avoidance of doubt, the Utility shall be entitled to raise a dispute regarding any Disputed Amounts, whether due or already paid in accordance with this Agreement, at any time.

11.10.2 If any amount is payable by either Party to the other Party upon determination of a dispute regarding any Disputed Amount under the Dispute Resolution Procedure, such amount shall be deemed to be payable on the date when it first became due under this Agreement, and provisions of the applicable rules issued by the Ministry of Power, as amended from time to time, shall be applicable on such amounts.

11.11 Discount for early payment

The Parties expressly agree that in the event the Utility pays the billed amount within the periods as specified below, it shall be entitled to deduct specified percentage of the amount by way of discount for early payment:

- (i) Upto 5 days from the date of submission of the invoice – 1.5%
- (ii) Upto 10 days from the date of submission of the invoice-1.4%
- (iii) Upto 15 days from the date of submission of the invoice-1.3%
- (iv) Upto 20 days from the date of submission of the invoice-1.2%
- (v) Upto 25 days from the date of submission of the invoice – 1.1%
- (vi) Upto 30 days from the date of submission of the invoice– 1.0%

Provided that the counting of days shall be exclusive of the day of submission of invoice.

Provided further that in case of computation of days, the number of days shall be counted consecutively without considering any holiday.

ARTICLE 12

12. VARIABLECHARGE

12.1 Variable Charge

As part of the Tariff, the Utility shall pay to the Supplier for supply of a kWh of electricity to the Utility, a Variable Charge determined from time to time in accordance with the provisions of this Article 12 and expressed in Rupees per kWh (the “**Variable Charge**”).

12.2 Variable Charge

The Parties agree that the variable charge, in accordance with the offer of the Supplier for the entire contract period, shall be Rs.(Rupees)^{\$} per kWh, [comprising Rs....(Rupees...)²³ per kWh as the cost of generating cost (the “ **Variable Charge**”) which shall not be revised and would remain firm for the entire contract period.

12.3 Computation of Variable Charge

12.3.1 The Supplier represents and warrants that it shall supply electricity to the Utility at the Delivery Point for a lumpsum Tariff that shall comprise: (a) a Variable Charge referred to in Clause 12.2 and (b) a Fixed Charge. For the avoidance of doubt, the Parties agree that the Fixed Charge and the Variable Charge shall be revised in accordance with the provisions of Clauses 11.3 and 12.3.2 respectively.

12.3.2 Omitted.

12.4 Shortage of Fuel

Omitted.

12.5 Take or Pay supply of Fuel

Omitted.

ARTICLE 13

PAYMENT SECURITY

13.1 Default Escrow Account

- 13.1.1 Omitted.
- 13.1.2 Omitted.
- 13.1.3 Omitted.
- 13.1.4 Omitted.

13.2 Letter of Credit

- 13.2.1 The Utility shall, no later than 30 (thirty) days prior to the likely date of the Appointed Date, provide to the Supplier, an unconditional, revolving and irrevocable letter of credit for an amount equivalent to the Monthly Payment (the “**Letter of Credit**”), which may be drawn upon by the Supplier for recovery of payment due against the Monthly Invoice in accordance with the provisions of this Agreement. The Letter of Credit shall be substantially in the form specified in Schedule-E and shall come into effect on the Appointed Date, and shall be modified once every year to reflect the revision in Monthly Payment in accordance with the provisions of this Agreement.
- 13.2.2 The Letter of Credit shall be procured by the Utility from a scheduled commercial bank. All costs and expenses relating to opening and maintenance of the Letter of Credit shall be borne by the Utility.
- 13.2.3 If for any reason whatsoever, any amount due and payable in respect of the Monthly Invoice for and in respect of the preceding month is not paid in accordance with the provisions of the Agreement for Procurement of Power, the Supplier may, at any time after the 27th (twenty seventh) day of the month in which the Payment Due Date falls on the strength of Letter of Credit.

13.3 Recovery

- 13.3.1 In the event the Utility fails to pay the Monthly Invoice on or before the relevant Payment Due Date(s) or the amount covered by the Letter of Credit is at any time less than the Monthly Payment or is insufficient for recovery of payment due against the Monthly Invoice or the Supplier is unable to recover its Tariff through the Letter of Credit, as the case may be, and if the Tariff or part thereof remains unpaid for a period of 1 (one) month from the Payment Due Date, then the recovery shall be made in accordance with the procedure provided in the applicable rules issued by the Ministry of Power, as amended from time to time.
- 13.3.2 The sale of Contracted Capacity pursuant to Clause 13.3.1 shall not extinguish any liability of the Utility or any claim that the Supplier may have against the Utility, save and except to the extent of amounts recovered under the provisions of Clause 13.3.1.
- 13.3.3 Supply of electricity to the Utility in accordance with the provisions of this Agreement shall be restored no later than 7 (seven) days from the day on which the Utility pays, or is deemed to have paid, the arrears due to the Supplier in accordance with the provisions of this Agreement, and renews the Letter of Credit.

13.4 Payment security for Termination

The Parties agree and acknowledge that upon Termination and on failure of the Utility to make the Termination Payment within 30 (thirty) days of demand by the Supplier, the Supplier will be at liberty to invoke the Stand by Letter of Credit to the extent of Termination Payment due.—

13.5 Operationalization of Payment security mechanism

In case of non-maintenance of adequate payment security mechanism provisions of applicable rules issued by the Ministry of Power, as amended from time to time shall apply.

ARTICLE 14

DESPATCH OF CONTRACTED CAPACITY

14.1 Despatch of Contracted Capacity

14.1.1 The Utility shall, in accordance with Applicable Laws, issue instructions to the Supplier for production of electricity and despatch thereof to the Grid during such period and in such volume as it may specify in its instructions (the “**Despatch**”). Provided that the Utility shall not Despatch in excess of the Contracted Capacity, unless mutually agreed between the Parties. For the avoidance of doubt, the Parties agree that the Utility may, in its discretion, direct the Supplier to Despatch on its behalf, all or part of the Contracted Capacity, in favour of the third parties designated by it from time to time on the express understanding that the payment therefor shall be made by the Utility to the Supplier as if the electricity has been Despatched in favour of the Utility.

14.1.2 Pursuant to the provisions of Clause 14.1.1, the [Supplier shall if the Supplier is NOT a Trading Licensee, or Supplier shall cause the Developer to] plan the production and Despatch of electricity and convey its availability for scheduling thereof by the SLDC or RLDC, as the case may be, and shall supply electricity in accordance with the provisions of the Grid Code and the Act.

14.1.3 In the event the Supplier schedules any electricity, produced from Contracted Capacity, for sale to Buyers in breach of this Agreement, the Supplier shall pay Damages equal to the higher of: (a) twice the Fixed Charge; and (b) the entire sale revenue accrued from Buyers. For the avoidance of doubt, no Fixed Charge or any amount in lieu thereof shall be due or payable to the Supplier for and in respect of any electricity sold hereunder.

However, if the Utility does not schedule the full or part of Contracted Capacity, Supplier may sell the same through the power exchange in line with the applicable rules issued by the Ministry of Power, as amended from time to time.

14.2 Settlement of DSM charges

14.2.1 All payments due to or from the Supplier on account of any deviation in terms of the DSM Regulations (the “**Deviation Settlement Mechanism**” or “**DSM**”) shall be solely to the account of and borne by the Supplier.

14.3 Overriding powers of the Utility

14.3.1 Upon occurrence of a Supplier’s Default, the Utility may, in its discretion, direct the Supplier to stop any or all its sale of electricity to Buyers from and in respect of Contracted Capacity, and to sell all such electricity to the Utility in accordance with the provisions of this Agreement. Upon receipt of any directions hereunder from the Utility, the Supplier shall comply forthwith and issue despatch and scheduling instruction to the RLDC and SLDC in conformity with the directions of the Utility.

- 14.3.2 In the event the Supplier does not comply with the directions of the Utility issued in pursuance of Clause 14.3.1, the Utility may issue directions to the RLDC and SLDC to undertake despatch and scheduling in accordance with such instructions as the Utility may issue hereunder from time to time.
- 14.3.3 The Supplier shall, prior to the Appointed Date, furnish a certified true copy of this Agreement to the RLDC and SLDC and obtain a receipt thereof. By furnishing a copy of this Agreement to the RLDC and SLDC, the Supplier shall be deemed to have agreed and undertaken to abide by the provisions of this Clause 14.3 and to have given irrevocable instructions to the RLDC and SLDC to carry out all the directions given by the Utility hereunder. For the avoidance of doubt, the Parties expressly agree that the provisions of this Clause 14.3 shall remain in force and effect until the Termination Payment, if any, has been made by the Supplier to the Utility.
- 14.3.4 The exercise of any overriding powers by the Utility under this Clause 14.3 shall not in any manner affect or diminish the liability and obligation of the Utility to make payments to the Supplier for the electricity supplied or the Availability of Contracted Capacity and the Utility shall, for this purpose, ensure and procure compliance of the provisions of Article 13. Notwithstanding anything to the contrary contained in this Clause 14.3, the Utility shall not be entitled to issue any directions hereunder nor shall the RLDC and SLDC comply with such directions to the extent and for the period during which Utility is in material breach of the provisions of Article 13 or of its payment obligations to the Supplier under this Agreement, and in such an event the provisions of Clause 13.3 shall apply.

14.4 Ramp up of Despatch

In the event the Utility Despatches less than 2% (two per cent) of Contracted Capacity at any time and requires ramping up of generation thereafter, it shall allow a period of 4 (four) hours to the Supplier for reaching Availability equal to the Contracted Capacity. For the avoidance of doubt, the Parties agree that in the event the Supplier fails to reach such Availability within [4 (four)] hours, the shortfall thereof shall be deemed to be Mis-declaration under the provisions of Clause 11.5.5. The Parties further agree that the liability of the Utility hereunder shall at all times be reckoned with reference to the Contracted Capacity.

ARTICLE 15

INSURANCE

15.1 Insurance during Contract Period

The [Supplier in case Supplier is NOT a Trading Licensee or Supplier] shall ensure that Developer shall effect and maintain at its own cost, such insurances for such maximum sums as may be necessary or prudent in accordance with Good Industry Practice. The Supplier shall also effect and maintain such insurances as may be necessary for mitigating the risks that may devolve on the Utility as a consequence of any act or omission of the Supplier [and/or the Developer if Supplier is a Trading Licensee] during the Contract Period.

15.2 Insurance Cover

Without prejudice to the provisions contained in Clause 15.1, the Supplier shall, during the Operations Period, procure and maintain [and cause the Developer to procure and maintain, as the case may be, if Supplier is a Trading Licensee] Insurance Cover including but not limited to the following:

- (a) Loss, damage or destruction of the Project Assets at replacement value;
- (b) comprehensive third party liability insurance including injury to or death of personnel of the Utility or others caused by the Project;
- (c) the Supplier's general liability arising out of the Procurement Contract;
- (d) liability to third parties for goods or property damage;
- (e) workmen's compensation insurance; and
- (f) any other insurance that may be necessary to protect the Supplier and its employees, including all Force Majeure Events that are insurable at commercially reasonable premiums and not otherwise covered in items (a) to (e) above.

15.3 Evidence of Insurance Cover

All insurances obtained by the Supplier [and by the Developer if Supplier is a Trading Licensee] in accordance with this Article 15 shall be maintained with insurers on terms consistent with Good Industry Practice. Within 15 (fifteen) days of obtaining any insurance cover, the Supplier shall furnish to the Utility, notarised true copies of the certificate(s) of insurance, copies of insurance policies and premia payment receipts in respect of such insurance, and no such insurance shall be cancelled, modified, or allowed to expire or lapse until the expiration of at least 45 (forty five) days after notice of such proposed cancellation, modification or non-renewal has been delivered by the Supplier to the Utility.

15.4 Remedy for failure to insure

If the Supplier [and/or the Developer if Supplier is a Trading Licensee] shall fail to effect and keep in force all insurances for which it is responsible pursuant hereto, the Utility shall have the option to either keep in force any such insurances, and pay such premia and recover the costs thereof from the Supplier, or in the event of computation of a Termination Payment, treat an amount equal to the Insurance Cover as deemed to have been received by the Supplier [and/or the Developer if Supplier is a Trading Licensee].

15.5 Waiver of subrogation

All insurance policies in respect of the insurance obtained by the Supplier[and/or by the Developer if Supplier is a Trading Licensee] pursuant to this Article 15 shall include a waiver of any and all rights of subrogation or recovery of the insurers thereunder against, *inter alia*, the Utility, and its assigns, successors, undertakings and their subsidiaries, affiliates, employees, insurers and underwriters, and of any right of the insurers to any set-off or counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of any such person insured under any such policy or in any way connected with any loss, liability or obligation covered by such policies of insurance.

15.6 Supplier's waiver

The Supplier hereby further releases, assigns and waives any and all rights of subrogation or recovery against, *inter alia*, the Utility and its assigns, undertakings and their subsidiaries, affiliates, employees, successors, insurers and underwriters, which the Supplier may otherwise have or acquire in or from or in any way connected with any loss, liability or obligation covered by policies of insurance maintained or required to be maintained by the Supplier pursuant to this Agreement (other than third party liability insurance policies) or because of deductible clauses in or inadequacy of limits of any such policies of insurance.

15.7 Application of insurance proceeds

The proceeds from all insurance claims, except life and injury, shall be paid to the Supplier [and/or Developer in case Supplier is a Trading Licensee] and it shall, notwithstanding anything to the contrary contained in Clause 19.3, apply such proceeds for any necessary repair, reconstruction, reinstatement, replacement, improvement or development of the Power Station.

ARTICLE 16
ACCOUNTS AND AUDIT

16.1 Audited accounts

- 16.1.1 The Supplier shall maintain books of accounts recording all its receipts (including Tariff, revenues from sale of power to the Utility, other Distribution Licensees and Buyers, and all incomes derived/collected by it from or on account of the Power Station and/or sale of electricity from the Power Station), income, expenditure, payments, assets and liabilities, in accordance with this Agreement, Good Industry Practice, Applicable Laws and Applicable Permits. The Supplier shall provide 2 (two) copies of its Balance Sheet, Cash Flow Statement and Profit and Loss Account, along with a report thereon by its Statutory Auditors, within 90 (ninety) days of the close of the Accounting Year to which they pertain and such audited accounts, save and except where expressly provided to the contrary, shall form the basis of payments by either Party under this Agreement. The Utility shall have the right to inspect the records of the Supplier during office hours and require copies of relevant extracts of books of accounts, duly certified by the Statutory Auditors, to be provided to the Utility for verification of basis of payments, and in the event of any discrepancy or error being found, the same shall be rectified and such rectified account shall form the basis of payments by either Party under this Agreement.
- 16.1.2 The Supplier shall, within 30 (thirty) days of the close of each quarter of an Accounting Year, furnish to the Utility its unaudited financial results in respect of the preceding quarter, in the manner and form prescribed by the Securities and Exchange Board of India for publication of quarterly results by the companies listed on a stock exchange.
- 16.1.3 On or before the thirty-first day of May each Year, the Supplier shall provide to the Utility, for the preceding Accounting Year, a statement duly audited by its Statutory Auditors giving summarised information on (a) receipts on account of Tariff, (b) revenues from sale of electricity to other Distribution Licensees and Buyers, and (c) such other information as the Utility may reasonably require.

16.2 Appointment of auditors

- 16.2.1 The Supplier shall appoint, and have during the subsistence of this Agreement as its Statutory Auditors, a firm chosen by it and acceptable to the Utility. All fees and expenses of the Statutory Auditors shall be borne by the Supplier.
- 16.2.2 The Supplier may terminate the appointment of its Statutory Auditors after a notice of 45 (forty five) days to the Utility, subject to the replacement Statutory Auditors being appointed in the manner specified in Clause 16.2.1.
- 16.2.3 Notwithstanding anything to the contrary contained in this Agreement, the Utility shall have the right, but not the obligation, to appoint at its cost from time to time and at anytime, another firm (the “**Additional Auditors**”) of Chartered Accountants to audit and verify all those matters, expenses, costs, realisations and things which the Statutory Auditors are required to do, undertake or certify pursuant to this Agreement.

16.3 Certification of claims by Statutory Auditors

Any claim or document provided by the Supplier to the Utility in connection with or relating to receipts, income, payments, costs, expenses, accounts or audit, and any matter incidental thereto shall be valid and effective only if certified by its Statutory Auditors. For the avoidance of doubt, such certification shall not be required for exchange of information in the normal course of business.

16.4 Set-off

In the event any amount is due and payable by the Utility to the Supplier, it may set-off any sums payable to it by the Supplier and pay the balance remaining. Any exercise by the Utility of its rights under this Clause 16.4 shall be without prejudice to any other rights or remedies available to it under this Agreement or otherwise.

16.5 Dispute resolution

In the event of there being any difference between the findings of the Additional Auditors and the certification provided by the Statutory Auditors, such Auditors shall meet to resolve the differences and if they are unable to resolve the same, such Dispute shall be resolved by the Utility by recourse to the Dispute Resolution Procedure.

Part V
Force Majeure and Termination

ARTICLE 17
FORCE MAJEURE

17.1 Force Majeure

As used in this Agreement, the expression “**Force Majeure**” or “**Force Majeure Event**” shall, mean occurrence in India of any or all of the events defined in Clauses 17.2 and 17.3, if it affects the performance by the Utility(s) or the [Supplier *if Supplier is NOT a Trading Licensee, or* and/or the Developer *if Supplier is a Trading Licensee*] claiming the benefit of Force Majeure (the “**Affected Party**”) of its obligations under this Agreement and which act or event (a) is beyond the reasonable control of the Affected Party, and (b) the Affected Party could not have prevented or overcome by exercise of due diligence and following Good Industry Practice, and (c) has Material Adverse Effect on the Affected Party.

17.2 Force Majeure Events

Force Majeure Events shall mean one or more of the following acts or events:

- (a) act of God, epidemic, extremely adverse weather conditions, lightning, earthquake, landslide, cyclone, flood, volcanic eruption, chemical or radioactive contamination or ionising radiation, fire or explosion (to the extent of contamination or radiation or fire or explosion originating from a source external to the Station Premises);
- (b) strikes or boycotts (other than those involving the Supplier, [Developer, *if Supplier is a Trading Licensee*] Contractors or their respective employees/representatives, or attributable to any act or omission of any of them) interrupting supplies and services to the Power Station for a continuous period of 24 (twenty four) hours and an aggregate period exceeding 7 (seven) days in an Accounting Year;
- (c) any judgement or order of any court of competent jurisdiction or statutory authority made against the [Supplier *if Supplier is NOT a Trading Licensee, or* Supplier and/or Developer *if Supplier is a Trading Licensee*] in any proceedings for reasons other than (i) failure of the [Supplier *if Supplier is NOT a Trading Licensee, or* Supplier and/or Developer *if Supplier is a Trading Licensee*] to comply with any Applicable Law or Applicable Permit, or (ii) on account of breach of any Applicable Law or Applicable Permit or of any contract, or (iii) enforcement of this Agreement, or (iv) exercise of any of its rights under this Agreement by the Utility;
- (d) the discovery of geological conditions, toxic contamination or archaeological remains on the Station Premises that could not reasonably have been expected to be discovered through an inspection of the Station Premises; or
- (e) any event or circumstances of a nature analogous to any of the foregoing.

- (f) an act of war (whether declared or undeclared), invasion, armed conflict or act of foreign enemy, blockade, embargo, riot, insurrection, terrorist or military action, civil commotion or politically motivated sabotage;
- (g) any political or economic upheaval, disturbance, movement, struggle or similar occurrence which could not have been anticipated or foreseen by a prudent person and which causes the construction or operation of the Project to be financially unviable or otherwise not feasible;
- (h) industry-wide or State-wide strikes or industrial action for a continuous period of 24 (twenty four) hours and exceeding an aggregate period of 7 (seven) days in an Accounting Year;
- (i) any civil commotion, boycott or political agitation which prevents generation or transmission of electricity by the Supplier for an aggregate period exceeding 7 (seven) days in an Accounting Year;
- (j) any event or circumstances of a nature analogous to any of the foregoing.

17.3 Other Events

One or more of the following acts or events by or on account of any Government Instrumentality:

- (a) Change in Law, only if consequences thereof cannot be dealt with under and in accordance with the provisions of Article 21 and its effect, in financial terms, exceeds the sum specified in Clause 21.1;
- (b) compulsory acquisition in national interest or expropriation of any Project Assets or rights of the Supplier, [Developer *if Supplier is a Trading Licensee*] or of the Contractors;
- (c) unlawful or unauthorised or without jurisdiction revocation of, or refusal to renew or grant without valid cause, any clearance, licence, permit, authorisation, no objection certificate, consent, approval or exemption required by the Supplier, [Developer *if Supplier is a Trading Licensee*] or any of the Contractors to perform their respective obligations under this Agreement and the Project Agreements; provided that such delay, modification, denial, refusal or revocation did not result from the Supplier's, [Developer's *if Supplier is a Trading Licensee*] or any Contractor's inability or failure to comply with any condition relating to grant, maintenance or renewal of such clearance, licence, authorisation, no objection certificate, exemption, consent, approval or permit;
- (d) any failure or delay of a Contractor but only to the extent caused by another Event mentioned in 17.3 and which does not result in any offsetting compensation being payable to the [Supplier *if Supplier is NOT a Trading Licensee*, or Supplier and/or Developer *if Supplier is a Trading Licensee*] by or on behalf of such Contractor; or
- (e) any event or circumstance of a nature analogous to any of the foregoing.

17.4 Duty to report Force Majeure Event

17.4.1 Upon occurrence of a Force Majeure Event, the Affected Party shall by notice report such occurrence to the other Party forthwith. Any notice pursuant hereto shall include full particulars of:

- (a) the nature and extent of each Force Majeure Event which is the subject of any claim for relief under this Article 17 with evidence in support thereof;
- (b) the estimated duration and the effect or probable effect which such Force Majeure Event is having or will have on the Affected Party's performance of its obligations under this Agreement;
- (c) the measures which the Affected Party is taking or proposes to take for alleviating the impact of such Force Majeure Event; and
- (d) any other information relevant to the Affected Party's claim.

17.4.2 The Affected Party shall not be entitled to any relief for or in respect of a Force Majeure Event unless it shall have notified the other Party of the occurrence of the Force Majeure Event as soon as reasonably practicable, and in any event no later than 7 (seven) days after the Affected Party knew, or ought reasonably to have known, of its occurrence, and shall have given particulars of the probable material effect that the Force Majeure Event is likely to have on the performance of its obligations under this Agreement.

17.4.3 For so long as the Affected Party continues to claim to be materially affected by such Force Majeure Event, it shall provide the other Party with regular (and not less than weekly) reports containing information as required by Clause 17.4.1, and such other information as the other Party may reasonably request the Affected Party to provide.

17.5 Effect of Force Majeure Event on the Procurement Contract

17.5.1 Upon the occurrence of any Force Majeure Event prior to the Appointed Date, the period set forth in Clause 4.1 for fulfilment of Conditions Precedent shall be extended by a period equal in length to the duration of the Force Majeure Event.

17.5.2 If any force Majeure Event occurs at any time after the Appointed Date, whereupon the Supplier is unable to transmit electricity to the Grid despite making best efforts or it is directed by the Utility, RLDC or SLDC or any Government Instrumentality to suspend generation or transmission during the subsistence of such Force Majeure Event, the Contract Period shall be extended by a period equal in length to the period during which the Supplier was prevented from generating or transmitting electricity on account thereof; provided that in the event of reduction in generation on account of partial inability or suspension, as the case may be, which cause the Availability on any day is to decline below 80% (eighty per cent) of the Normative Availability, the Utility shall extend the Contract Period in proportion to the loss of Availability due to Force Majeure. For the avoidance of doubt, loss of 25% (twenty five per cent) of Availability for 4 (four) days shall entitle the Supplier to extension of 1 (one) day in the Contract Period.

17.6 Allocation of costs arising out of Force Majeure

Upon occurrence of a Force Majeure Event after the Appointed Date, the Parties shall bear their respective Force Majeure Costs and neither Party shall be required to pay to the other Party any costs thereof.

17.7 Termination Notice for Force Majeure Event

If a Force Majeure Event subsists for a period of 180 (one hundred and eighty) days or more within a continuous period of 365 (three hundred and sixty five) days, either Party may in its discretion terminate this Agreement by issuing a Termination Notice to the other Party without being liable in any manner whatsoever, save as provided in this Article 17, and upon issue of such Termination Notice, this Agreement shall, notwithstanding anything to the contrary contained herein, stand terminated forthwith; provided that before issuing such Termination Notice, the Party intending to issue the Termination Notice shall inform the other Party of such intention and grant 15 (fifteen) days time to make a representation, and may after the expiry of such 15 (fifteen) days period, whether or not it is in receipt of such representation, in its sole discretion issue the Termination Notice.

17.8 Excuse from performance of obligations

If the Affected Party is rendered wholly or partially unable to perform its obligations under this Agreement because of a Force Majeure Event, it shall be excused from performance of such of its obligations to the extent it is unable to perform on account of such Force Majeure Event; provided that:

- (a) the suspension of performance shall be of no greater scope and of no longer duration than is reasonably required by the Force Majeure Event;
- (b) the Affected Party shall make all reasonable efforts to mitigate or limit damage to the other Party arising out of or as a result of the existence or occurrence of such Force Majeure Event and to cure the same with due diligence; and
- (c) when the Affected Party is able to resume performance of its obligations under this Agreement, it shall give to the other Party notice to that effect and shall promptly resume performance of its obligations hereunder.

ARTICLE 18

COMPENSATION FOR BREACH OF AGREEMENT

18.1 Compensation for default by the Supplier

In the event of the Supplier being in material breach or default of this Agreement, it shall, upon receipt of the demand supported by necessary particulars thereof, pay to the Utility by way of compensation, all direct costs suffered or incurred by the Utility as a consequence of such material breach or default; provided that no compensation shall be payable under this Clause 18.1 for any material breach or default in respect of which Damages are expressly specified and payable under this Agreement. For the avoidance of doubt, the Parties agree that the compensation payable under this Article 18 shall be in addition to, and not in substitution for, or derogation of, Termination Payment, if any. The Parties further agree that the non- defaulting Party shall make all reasonable efforts to mitigate or limit the costs and damage arising as a result of breach of Agreement by the other Party or for any consequential losses incurred by the Utility.

18.2 Compensation for default by the Utility

In the event of the Utility being in material breach or default of this Agreement at any time after the Appointed Date, then the recovery by the Supplier shall be made in accordance with the procedure provided in the applicable rules issued by the Ministry of Power, as amended from time to time.

18.3 Extension of Contract Period

In the event that a material breach or default of this Agreement causes delay in achieving the Appointed Date or leads to reduction in Availability, as the case may be, the Utility shall, in addition to payment of compensation under Clause 18.2, extend the Contract Period, such extension being equal in duration to the period by which the Appointed Date was delayed or Availability was reduced on account thereof, as the case may be; and in the event of reduction in Availability below 80% (eighty per cent) of the Normative Availability, the Utility shall, in addition to payment of compensation hereunder, extend the Contract Period in proportion to the loss of Availability. For the avoidance of doubt, loss of 25% (twenty five per cent) of Availability for 4 (four) days shall entitle the Supplier to extension of 1 (one) day in the Contract Period.

³²To be retained only if coal is being sourced from Allocated Coal Linkage provided by the Utility.

ARTICLE 19
TERMINATION

19.1 Termination for Supplier Default

19.1.1 Subject to Applicable Laws and save as otherwise provided in this Agreement, in the event that any of the defaults specified below shall have occurred, and the Supplier fails to cure the default within the Cure Period set forth below, or where no Cure Period is specified, then within a Cure Period of 90 (ninety) days, the Supplier shall be deemed to be in default of this Agreement (the “**Supplier Default**”), unless the default has occurred as a result of any breach of this Agreement by the Utility or due to Force Majeure. The defaults referred to herein shall include the following:

- (a) The Performance Security has been encashed and appropriated in accordance with Clause 9.2 and the Supplier fails to replenish or provide fresh Performance Security within a Cure Period of 15 (fifteen) days;
- (b) subsequent to the replenishment or furnishing of fresh Performance Security in accordance with Clause 9.2, the Supplier fails to meet any Condition Precedent or cure the Supplier Default, as the case may be, for which whole or part of the Performance Security was appropriated, within a Cure Period of 120 (one hundred and twenty) days;
- (c) the Supplier has failed to make any payment to the Utility within the period specified in this Agreement;
- (d) a breach of Project Agreements by the [Supplier *if Supplier is NOT a Trading Licensee, or Developer if Supplier is a Trading Licensee*] has caused a Material Adverse Effect;
- (e) the [Supplier *if Supplier is NOT a Trading Licensee, or Supplier or Developer if Supplier is a Trading Licensee*] creates any Encumbrance in breach of this Agreement;
- (f) the Supplier repudiates this Agreement or otherwise takes any action or evidences or conveys an intention not to be bound by the Agreement and fails to pay Damages in accordance with the provisions of this Agreement;
- (g) [insert this clause if Supplier is a Trading Licensee “the Power Purchase Agreement between the Supplier and the Developer stands expired, cancelled or terminated, for any reason whatsoever;”]
- (h) the Supplier schedules electricity, produced from Contracted Capacity, for sale to Buyers in breach of this Agreement and fails to pay Damages in accordance with the provisions of Clause 14.1.3;
- (i) a Change in Ownership has occurred in breach of the provisions of Clause 5.2;
- (j) the [Supplier *if Supplier is NOT a Trading Licensee, or Developer if Supplier is a Trading Licensee*] fails to achieve a monthly Availability of 70% (seventy per cent) for a period of 4 (four) consecutive months or for a cumulative period of 4

(four) months within any continuous period of 12 (twelve) months, save and except to the extent of Non-Availability caused by (i) a Force Majeure Event, (ii) an act or omission of the Utility, not occurring due to any default of the [Supplier *if Supplier is NOT a Trading Licensee*, or Developer *if Supplier is a Trading Licensee*] or (iii)

Provided that duration of outage due to approved planned outage shall not be considered as Non Availability for the purpose of this clause.

- (k) there is a transfer, pursuant to law either of (i) the rights and/or obligations of the [Supplier *if Supplier is NOT a Trading Licensee*, or Developer *if Supplier is a Trading Licensee*] under any of the Project Agreements, or of (ii) all or part of the assets or undertaking of the [Supplier *if Supplier is NOT a Trading Licensee*, or Supplier and/or the Developer *if Supplier is a Trading Licensee*], without prior intimation to the Utility, and such transfer causes a Material Adverse Effect;
- (l) an execution levied on any of the assets of the [Supplier *if Supplier is NOT a Trading Licensee*, or Supplier and/or the Developer *if Supplier is a Trading Licensee*] has caused a Material Adverse Effect;
- (m) the [Supplier *if Supplier is NOT a Trading Licensee*, or Supplier and/or the Developer *if Supplier is a Trading Licensee*] is adjudged bankrupt or insolvent, or if a trustee or receiver is appointed for the [Supplier *if Supplier is NOT a Trading Licensee*, or Supplier and/or the Developer *if Supplier is a Trading Licensee*] or for the whole or material part of its assets that has a material bearing on the Project;
- (n) the [Supplier *if Supplier is NOT a Trading Licensee*, or Supplier and/or the Developer *if Supplier is a Trading Licensee*] has been, or is in the process of being liquidated, dissolved, wound-up, amalgamated or reconstituted in a manner that would cause, in the reasonable opinion of the Utility, a Material Adverse Effect;
- (o) a resolution for winding up of the [Supplier *if Supplier is NOT a Trading Licensee*, or Supplier and/or the Developer *if Supplier is a Trading Licensee*] is passed;
- (p) any petition for winding up of the [Supplier *if Supplier is NOT a Trading Licensee*, or Supplier and/or the Developer *if Supplier is a Trading Licensee*] is admitted by a court of competent jurisdiction and a provisional liquidator or receiver is appointed and such order has not been set aside within 90 (ninety) days of the date thereof or the [Supplier *if Supplier is NOT a Trading Licensee*, or Supplier and/or the Developer” *if Supplier is a Trading Licensee*] is ordered to be wound up by a court except for the purpose of amalgamation or reconstruction; provided that, as part of such amalgamation or reconstruction, the entire property, assets and undertaking of the [Supplier” *if Supplier is NOT a Trading Licensee*, or Supplier and/or the Developer, as the case may be *if Supplier is a Trading Licensee*] are transferred to the amalgamated or

reconstructed entity and that the amalgamated or reconstructed entity has unconditionally assumed the obligations of the [Supplier *if Supplier is NOT a Trading Licensee*, or Supplier and/or the Developer, as the case may be *if Supplier is a Trading Licensee*] under this Agreement and the Project Agreements; and provided that:

- (i) the amalgamated or reconstructed entity has the capability and operating experience necessary for the performance of its obligations under this Agreement and the Project Agreements;
 - (ii) the amalgamated or reconstructed entity has the financial standing to perform its obligations under this Agreement and the Project Agreements and has a credit worthiness at least as good as that of the [Supplier *if Supplier is NOT a Trading Licensee*, or Supplier and/or the Developer, as the case may be *if Supplier is a Trading Licensee*] as at the Appointed Date;
 - (iii) each of the Project Agreements remains in full force and effect; and
 - (iv) such amalgamation or reconstruction is approved by the Commission.
- (q) any representation or warranty of the Supplier herein contained which is, as of the date hereof, found to be materially false, incorrect or misleading or the Supplier is at any time hereafter found to be in breach thereof;
- (r) the Supplier submits to the Utility any statement, notice or other document, in written or electronic form, which has a material effect on the Utility's rights, obligations or interests and which is false in material particulars;
- (s) the Supplier has failed to fulfil any obligation, for which failure Termination has been specified in this Agreement;
- (t) the Supplier issues a Termination Notice in violation of the provisions of this Agreement; or
- (u) the Supplier commits a default in complying with any other provision of this Agreement if such default causes or may cause a Material Adverse Effect on the Utility.

19.1.2 Without prejudice to any other rights or remedies which the Utility may have under this Agreement, upon occurrence of a Supplier Default, the Utility shall be entitled to terminate this Agreement by issuing a Termination Notice to the Supplier; provided that before issuing the Termination Notice, the Utility shall by a notice inform the Supplier of its intention to issue such Termination Notice and grant 15 (fifteen) days to the Supplier to make a representation, and may after the expiry of such 15 (fifteen) days, whether or not it is in receipt of such representation, issue the Termination Notice.

19.2 Termination for Utility Default

19.2.1 In the event that any of the defaults specified below shall have occurred, and the Utility fails to cure such default within a Cure Period of 90 (ninety) days or such

longer period as has been expressly provided in this Agreement, the Utility shall be deemed to be in default of this Agreement (the “**Utility Default**”) unless the default has occurred as a result of any breach of this Agreement by the Supplier or due to Force Majeure. The defaults referred to herein shall include the following:

- (a) The Performance Security-Utility has been encashed and appropriated in accordance with Clause 9.2 and the Utility fails to replenish or provide fresh Performance Security-Utility within a Cure Period of 15 (fifteen) days;
- (b) subsequent to the replenishment or furnishing of fresh Performance Security-Utility in accordance with Clause 9.2, the Utility fails to meet any Condition Precedent or cure the Utility Default, as the case may be, for which whole or part of the Performance Security-Utility was appropriated, within a Cure Period of 120 (one hundred and twenty) days;
- (c) The Utility commits a material default in complying with any of the provisions of this Agreement and such default has a Material Adverse Effect on the Supplier;
- (d) the Utility has failed to make any payment to the Supplier, and the Supplier is unable to recover any unpaid amounts in accordance with the provisions of the applicable rules issued by the Ministry of Power; or
- (e) the Utility repudiates this Agreement or otherwise takes any action that amounts to or manifests an irrevocable intention not to be bound by this Agreement.

19.2.2 Without prejudice to any other right or remedy which the Supplier may have under this Agreement, upon occurrence of a Utility Default, the Supplier shall be entitled to terminate this Agreement by issuing a Termination Notice to the Utility; provided that before issuing the Termination Notice, the Supplier shall by a notice inform the Utility of its intention to issue the Termination Notice and grant 15 (fifteen) days to the Utility to make a representation, and may after the expiry of such 15 (fifteen) days, whether or not it is in receipt of such representation, issue the Termination Notice.

19.3 Termination Payment

19.3.1 Apart from the other payments to be made by the Supplier on Supplier Default, upon Termination on account of a Supplier Default, the Supplier shall pay to the Utility, by way of Termination Payment, an amount equal to the Fixed Charge that would have been due and payable for Normative Availability for a period of [6 (six) months]³³ as if the Contracted Capacity was Available for such [6 (six) months] from the date of Termination.

19.3.2 Apart from the other payments to be made by the Utility on Utility Default, upon Termination on account of a Utility Default, the Utility shall pay to the Supplier, by way of Termination Payment, an amount equal to the Fixed Charge that would have been due and payable for Normative Availability for a period of [6(six) months]³⁴ as

³³ This period may equal to about 10% (ten per cent) of the Contract Period.

³⁴ This period may equal to about 5% (five per cent) of the Contract Period.

if the Contracted Capacity was Available for such [6(six) months] from the date of Termination.

19.3.3 Termination Payment shall be due and payable within 15 (fifteen) days of a demand being made with the necessary particulars, and in the event of any delay, the defaulting Party shall pay interest at a rate equal to 3% (three per cent) above the Bank Rate on the amount of Termination Payment remaining unpaid; provided that such delay shall not exceed 90 (ninety) days. For the avoidance of doubt, it is expressly agreed that Termination Payment and payment of Delayed payments shall constitute full discharge by the Utility of its payment obligations in respect thereof hereunder.

19.3.4 The Supplier expressly agrees that Termination Payment and payment of Delayed payments under this Article 19 shall constitute a full and final settlement of all claims of the Supplier on account of Termination of this Agreement for any reason whatsoever and that the Supplier or any shareholder thereof shall not have any further right or claim under any law, treaty, convention, contract or otherwise.

19.4 Instructions to RLDC and SLDC

19.4.1 The Supplier shall, prior to the Appointed Date, furnish a certified true copy of this Agreement to the RLDC and SLDC and obtain a receipt thereof. By furnishing such copy hereunder, the Supplier shall be deemed to have given irrevocable instructions and authority to the RLDC and SLDC to follow the instructions of the Utility in accordance with the provisions of this Article 19. The Supplier agrees and undertakes that it shall not in any manner challenge or revoke the provisions of this Article 19 or in any manner prevent the Utility, RLDC or SLDC from giving effect thereto.

19.4.2 The Utility agrees and undertakes to exercise its rights hereunder only to the extent of the Contracted Capacity and the Supplier may supply electricity to Buyers in accordance with the provisions of this Agreement.

19.5 Survival of rights

Notwithstanding anything to the contrary contained in this Agreement, but subject to the provisions of Clause 19.3.4, any Termination pursuant to the provisions of this Agreement shall be without prejudice to the accrued rights of either Party including its right to claim and recover money damages, insurance proceeds, security deposits, and other rights and remedies, which it may have in law or contract. All rights and obligations of either Party under this Agreement, including Termination Payments, shall survive the Termination to the extent such survival is necessary for giving effect to such rights and obligations.

Part VI
Other Provisions

ARTICLE 20
ASSIGNMENT AND CHARGES

20.1 Restrictions on assignment and charges

- 20.1.1 Subject to Clauses 20.2 and 20.3, this Agreement shall not be assigned by the Supplier to any person, save and except with the prior consent in writing of the Utility, which consent the Utility shall be entitled to decline without assigning any reason.
- 20.1.2 Subject to the provisions of Clause 20.2, the Supplier shall not create nor permit to subsist any Encumbrance, or otherwise transfer or dispose of all or any of its rights and benefits under this Agreement or any Project Agreement to which the Supplier is a party, except with prior consent in writing of the Utility, which consent the Utility shall be entitled to decline without assigning any reason.

20.2 Permitted assignment and charges

The restraints set forth in Clause 20.1 shall not apply to:

- (a) liens arising by operation of law (or by an agreement evidencing the same) in the ordinary course of business of the Power Station;
- (b) mortgages/pledges/hypothecation of Project Assets and their related documents of title, arising or created in the ordinary course of business of the Power Station, and as security only for indebtedness to its Lenders and/or for working capital arrangements for the Power Station;
- (c) assignment of rights, interest and obligations of the Supplier to or in favour of its as security for financing provided by them; and
- (d) liens or encumbrances required by any Applicable Law.

20.3 Assignment by the Utility

Notwithstanding anything to the contrary contained in this Agreement, the Utility may, after giving 60 (sixty) days' notice to the Supplier, assign and/ or transfer any of its rights and benefits and/or obligations under this Agreement to an assignee who is, in the reasonable opinion of the Utility, capable of fulfilling all of the Utility's then outstanding obligations under this Agreement and has the financial standing necessary for this purpose.

20.4 Approvals for assignment

Any assignment under this Article 20 shall be subject to the approvals and consents required therefor under Applicable Laws, including approval of the Commission. Provided, however, that the grant of any consent or approval under Applicable Laws shall not oblige the Utility to grant its approval to such assignment, save and except as provided herein.

ARTICLE 21
CHANGE IN LAW

21.1 Increase in costs

If as a result of Change in Law, the Supplier suffers an increase in costs or reduction in net after-tax return or other financial burden, the aggregate financial effect of which exceeds 0.1% (zero point one percent) of the Capacity Charge in any Accounting Year or if as a result of Change in Law, the Supplier benefits from a reduction in costs or increase in net after-tax return or other financial gains the aggregate financial effect of which exceeds 0.1% (zero point one percent) of the Capacity Charge in any Accounting Year, the impact of Change in Law to be adjusted and recovered shall be computed in accordance with the procedure provided in the applicable rules issued by the Ministry of Power’.

21.3 No claim in the event of recovery from Buyers

Notwithstanding anything to the contrary contained in this Agreement, the Utility shall not in any manner be liable to reimburse to the Supplier any sums on account of a Change in Law if the same are recoverable from the Buyers.

21.4 Exclusions to the Change in Law

The term ‘Change in Law’ shall not include any change in any withholding tax on income or dividends distributed to the shareholders of the Seller.

ARTICLE 22
LIABILITY AND INDEMNITY

22.1 General indemnity

22.1.1 The Supplier shall indemnify, defend, save and hold harmless the Utility and its officers, servants, agents, Government Instrumentalities and Utility owned and/or controlled entities/enterprises,(the “**Utility Indemnified Persons**”) against any and all suits, proceedings, actions, demands and claims from third parties for any loss, damage, cost and expense of whatever kind and nature, whether arising out of any breach by the Supplier of any of its obligations under this Agreement or any related agreement or on account of any defect or deficiency in the provision of services to the Utility or sale by the Supplier to any Buyer or from any negligence of the Supplier under contract or tort or on any other ground whatsoever, except to the extent that any such suits, proceedings, actions, demands and claims have arisen due to any negligent act or omission, or breach or default of this Agreement on the part of the Utility Indemnified Persons.

22.1.2 The Utility shall indemnify, defend, save and hold harmless the Supplier against any and all suits, proceedings, actions, demands and claims from third parties for any loss, damage, cost and expense of whatever kind and nature arising out of breach by the Utility of any of its obligations under this Agreement or any related agreement, which materially and adversely affect the performance by the Supplier of its obligations under this Agreement, save and except that where any such claim, suit, proceeding, action, and/or demand has arisen due to a negligent act or omission, or breach of any of its obligations under any provision of this Agreement or any related agreement and/or breach of its statutory duty on the part of the Supplier, its subsidiaries, affiliates, contractors, servants or agents, the same shall be the liability of the Supplier.

22.2 Indemnity by the Supplier

22.2.1 Without limiting the generality of Clause 22.1, the Supplier shall fully indemnify, hold harmless and defend the Utility and the Utility Indemnified Persons from and against any and all loss and/or damages arising out of or with respect to:

- (a) failure of the Supplier to comply with Applicable Laws and Applicable Permits;
- (b) payment of taxes required to be made by the Supplier in respect of the income or other taxes of the Supplier’s contractors, suppliers and representatives; or
- (c) non-payment of amounts due as a result of materials or services furnished to the Supplier or any of its contractors which are payable by the Supplier or any of its contractors.

22.2.2 Without limiting the generality of the provisions of this Article 22, the Supplier shall fully indemnify, hold harmless and defend the Utility Indemnified Persons from and against any and all suits, proceedings, actions, claims, demands, liabilities and damages which the Utility Indemnified Persons may hereafter suffer, or pay by reason

of any demands, claims, suits or proceedings arising out of claims of infringement of any domestic or foreign patent rights, copyrights or other intellectual property, proprietary or confidentiality rights with respect to any materials, information, design or process used by the Supplier or by the Supplier's Contractors in performing the Supplier's obligations or in any way incorporated in or related to the Project. If in any such suit, action, claim or proceedings, a temporary restraint order or preliminary injunction is granted, the Supplier shall make every reasonable effort, by giving a satisfactory bond or otherwise, to secure the revocation or suspension of the injunction or restraint order. If, in any such suit, action, claim or proceedings, the Power Station, or any part thereof or comprised therein, is held to constitute an infringement and its use is permanently enjoined, the [Supplier *shall if Supplier is NOT a Trading Licensee, or Supplier shall cause the Developer to*] *if Supplier is a Trading Licensee*] promptly make every reasonable effort to secure for the Utility a licence, at no cost to the Utility, authorising continued use of the infringing work. If the [Supplier *if Supplier is NOT a Trading Licensee, or Developer if Supplier is a Trading Licensee*] is unable to secure such licence within a reasonable time, the [Supplier *if Supplier is NOT a Trading Licensee, or Developer if Supplier is a Trading Licensee*] shall, at its own expense, and without impairing the Specifications and Standards, either replace the affected work, or part, or process thereof with non- infringing work or part or process, or modify the same so that it becomes non- infringing.

22.3 Notice and contest of claims

In the event that either Party receives a claim or demand from a third party in respect of which it is entitled to the benefit of an indemnity under this Article 22 (the "**Indemnified Party**") it shall notify the other Party (the "**Indemnifying Party**") within 15 (fifteen) days of receipt of the claim or demand and shall not settle or pay the claim without the prior approval of the Indemnifying Party, which approval shall not be unreasonably withheld or delayed. In the event that the Indemnifying Party wishes to contest or dispute the claim or demand, it may conduct the proceedings in the name of the Indemnified Party, subject to the Indemnified Party being secured against any costs involved, to its reasonable satisfaction.

22.4 Defense of claims

- 22.4.1 The Indemnified Party shall have the right, but not the obligation, to contest, defend and litigate any claim, action, suit or proceeding by any third party alleged or asserted against such Party in respect of, resulting from, related to or arising out of any matter for which it is entitled to be indemnified hereunder, and reasonable costs and expenses thereof shall be indemnified by the Indemnifying Party. If the Indemnifying Party acknowledges in writing its obligation to indemnify the Indemnified Party in respect of loss to the full extent provided by this Article 22, the Indemnifying Party shall be entitled, at its option, to assume and control the defence of such claim, action, suit or proceeding, liabilities, payments and obligations at its expense and through the counsel of its choice; provided it gives prompt notice of its intention to do so to the Indemnified Party and reimburses the Indemnified Party for the reasonable cost and expenses incurred by the Indemnified Party prior to the assumption by the Indemnifying Party of such defence. The Indemnifying Party shall not be entitled to settle or compromise any claim, demand, action, suit or proceeding without the prior written consent of the Indemnified Party, unless the Indemnifying Party provides such

security to the Indemnified Party as shall be reasonably required by the Indemnified Party to secure the loss to be indemnified hereunder to the extent so compromised or settled.

22.4.2 If the Indemnifying Party has exercised its rights under Clause 22.3, the Indemnified Party shall not be entitled to settle or compromise any claim, action, suit or proceeding without the prior written consent of the Indemnifying Party (which consent shall not be unreasonably withheld or delayed).

22.4.3 If the Indemnifying Party exercises its rights under Clause 22.3, the Indemnified Party shall nevertheless have the right to employ its own counsel, and such counsel may participate in such action, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party, when and as incurred, unless:

- (a) the employment of counsel by such party has been authorised in writing by the Indemnifying Party;
- (b) the Indemnified Party shall have reasonably concluded that there may be a conflict of interest between the Indemnifying Party and the Indemnified Party in the conduct of the defence of such action;
- (c) the Indemnifying Party shall not, in fact, have employed independent counsel reasonably satisfactory to the Indemnified Party, to assume the defence of such action and shall have been so notified by the Indemnified Party; or
- (d) the Indemnified Party shall have reasonably concluded and specifically notified the Indemnifying Party either:
 - (i) that there may be specific defences available to it which are different from or additional to those available to the Indemnifying Party; or
 - (ii) that such claim, action, suit or proceeding involves or could have a material adverse effect upon it beyond the scope of this Agreement:

Provided that if Sub-clauses (b), (c) or (d) of this Clause 22.4.3 shall be applicable, the counsel for the Indemnified Party shall have the right to direct the defence of such claim, demand, action, suit or proceeding on behalf of the Indemnified Party, and the reasonable fees and disbursements of such counsel shall constitute legal or other expenses hereunder.

22.5 No consequential claims

Notwithstanding anything to the contrary contained in this Article 22, the indemnities herein provided shall not include any claim or recovery in respect of any cost, expense, loss or damage of an indirect, incidental or consequential nature, including loss of profit, except as expressly provided in this Agreement.

ARTICLE 23
DISPUTE RESOLUTION

23.1 Dispute resolution

- 23.1.1 Any dispute, difference or controversy of whatever nature howsoever arising under or out of or in relation to this Agreement (including its interpretation) between the Parties, and so notified in writing by either Party to the other Party (the “**Dispute**”) shall, in the first instance, be attempted to be resolved amicably.
- 23.1.2 The Parties agree to use their best efforts for resolving all Disputes arising under or in respect of this Agreement promptly, equitably and in good faith, and further agree to provide each other with reasonable access during normal business hours to all non-privileged records, information and data pertaining to any Dispute.
- 23.1.3 If in spite of their best efforts, the parties fail to resolve the dispute, the same shall be referred for resolution to the Hon’ble West Bengal Electricity Regulatory Commission (WBERC) in terms of Elec Act, 2003.

23.2 Adjudication by the Commission

- 23.2.1 In the event a Dispute is required under Applicable Laws to be adjudicated upon by the Commission, such Dispute shall be submitted for adjudication by the Commission in accordance with Applicable Laws and all references to Dispute Resolution Procedure shall be construed accordingly.—

23.3 Adjudication by a tribunal

In the event of constitution of a statutory tribunal with powers to adjudicate upon disputes between the Supplier and the Utility, all Disputes arising after such constitution shall, be adjudicated upon by such tribunal in accordance with Applicable Laws and all references to Dispute Resolution Procedure shall be construed accordingly.

ARTICLE 24

DISCLOSURE

24.1 Disclosure of Specified Documents

The Supplier shall make available for inspection by any person, copies of this Agreement (hereinafter collectively referred to as the “**Specified Documents**”), free of charge, during normal business hours on all working days at the Supplier’s Registered Office and the Power Station and shall provide copies of the same to any person upon payment of copying charges on a ‘no profit no loss’ basis.

24.2 Disclosure of Documents relating to safety

The [Supplier shall *if Supplier is NOT a Trading Licensee*, or Supplier shall cause the Developer to *if Supplier is a Trading Licensee*] make available for inspection by any person copies of all Documents and data relating to safety of the Power Station, free of charge, during normal business hours on all working days, at the Supplier’s Registered Office and the Power Station. The [Supplier shall *if Supplier is NOT a Trading Licensee*, or Supplier shall cause the Developer to *if Supplier is a Trading Licensee*] make copies of the same available to any person upon payment of copying charges on a ‘no profit no loss’ basis.

24.3 Withholding disclosure of Protected Documents

Notwithstanding the provisions of Clauses 24.1 and 34.2, but subject to Applicable Laws, the Utility shall be entitled to direct the Supplier, from time to time, to withhold the disclosure of Protected Documents (as defined herein below) to any person in pursuance of the aforesaid Clauses.

Explanation:

The expression Protected Documents shall mean such of the Specified Documents or documents referred to in Clauses 24.1 and 24.2, or portions thereof, the disclosure of which the Utility is entitled to withhold under the provisions of the Right to Information Act, 2005.

ARTICLE 25
MISCELLANEOUS

25.1 Governing law and jurisdiction

This Agreement shall be construed and interpreted in accordance with and governed by the laws of India, and the courts in the State shall have exclusive jurisdiction over matters arising out of or relating to this Agreement.

25.2 Waiver of immunity

Each Party unconditionally and irrevocably:

- (a) agrees that the execution, delivery and performance by it of this Agreement constitute commercial acts done and performed for commercial purpose;
- (b) agrees that, should any proceedings be brought against it or its assets, property or revenues in any jurisdiction in relation to this Agreement or any transaction contemplated by this Agreement, no immunity (whether by reason of sovereignty or otherwise) from such proceedings shall be claimed by or on behalf of the Party with respect to its assets;
- (c) waives any right of immunity which it or its assets, property or revenues now has, may acquire in the future or which may be attributed to it in any jurisdiction; and
- (d) consents generally in respect of the enforcement of any judgement or award against it in any such proceedings to the giving of any relief or the issue of any process in any jurisdiction in connection with such proceedings (including the making, enforcement or execution against it or in respect of any assets, property or revenues whatsoever irrespective of their use or intended use of any order or judgement that may be made or given in connection therewith).

25.3 Interest

Unless otherwise specified, any interest payable under this Agreement shall accrue on a daily outstanding basis and shall be compounded on the basis on quarterly rests.

25.4 Delayed payments

The Parties hereto agree that payments due from one Party to the other Party under the provisions of this Agreement shall be made within the period set forth therein, and in the event of delay beyond such period the recovery thereof shall be in accordance with the applicable rules issued by the Ministry of Power, as amended from time to time.

25.5 Waiver

- 25.5.1 Waiver, including partial or conditional waiver, by either Party of any default by the other Party in the observance and performance of any provision of or obligations under this Agreement:

- (a) shall not operate or be construed as a waiver of any other or subsequent default hereof or of other provisions of or obligations under this Agreement;
- (b) shall not be effective unless it is in writing and executed by a duly authorised representative of the Party; and
- (c) shall not affect the validity or enforceability of this Agreement in any manner.

25.5.2 Neither the failure by either Party to insist on any occasion upon the performance of the terms, conditions and provisions of this Agreement or any obligation thereunder nor time or other indulgence granted by a Party to the other Party shall be treated or deemed as waiver of such breach or acceptance of any variation or the relinquishment of any such right hereunder.

25.6 Exclusion of implied warranties etc.

This Agreement expressly excludes any warranty, condition or other undertaking implied at law or by custom or otherwise arising out of any other agreement between the Parties or any representation by either Party not contained in a binding legal agreement executed by both Parties.

25.7 Survival

25.7.1 Termination shall:

- (a) not relieve the Supplier or the Utility, as the case may be, of any obligations hereunder which expressly or by implication survive Termination hereof, including any rights and obligations under Article 22; and
- (b) except as otherwise provided in any provision of this Agreement expressly limiting the liability of either Party, not relieve either Party of any obligations or liabilities for loss or damage to the other Party arising out of, or caused by, acts or omissions of such Party prior to the effectiveness of such Termination or arising out of such Termination.

25.7.2 All obligations surviving Termination shall only survive for a period of 3 (three) years following the date of such Termination.

25.8 Entire Agreement

This Agreement and the Schedules together constitute a complete and exclusive statement of the terms of the agreement between the Parties on the subject hereof, and no amendment or modification hereto shall be valid and effective unless such modification or amendment is agreed to in writing by the Parties and duly executed by persons especially empowered in this behalf by the respective Parties. All prior written or oral understandings, offers or other communications of every kind pertaining to this Agreement are abrogated and withdrawn. For the avoidance of doubt, the Parties hereto agree that any obligations of the Supplier arising from the Request for Qualification or Request for Proposals, as the case may be, shall be deemed to form part of this Agreement and treated as such.

25.9 Severability

If for any reason whatsoever, any provision of this Agreement is or becomes invalid, illegal or unenforceable or is declared by any court of competent jurisdiction or any other instrumentality to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions shall not be affected in any manner, and the Parties will negotiate in good faith with a view to agreeing to one or more provisions which may be substituted for such invalid, unenforceable or illegal provisions, as nearly as is practicable to such invalid, illegal or unenforceable provision. Failure to agree upon any such provisions shall not be subject to the Dispute Resolution Procedure set forth under this Agreement or otherwise.

25.10 No partnership

This Agreement shall not be interpreted or construed to create an association, joint venture or partnership between the Parties, or to impose any partnership obligation or liability upon either Party, and neither Party shall have any right, power or authority to enter into any agreement or undertaking for, or act on behalf of, or to act as or be an agent or representative of, or to otherwise bind, the other Party.

25.11 Third parties

This Agreement is intended solely for the benefit of the Parties, and their respective successors and permitted assigns, and nothing in this Agreement shall be construed to create any duty to, standard of care with reference to, or any liability to, any person not a Party to this Agreement.

25.12 Successors and assigns

This Agreement shall be binding upon, and inure to the benefit of the Parties and their respective successors and permitted assigns.

25.13 Notices

Any notice or other communication to be given by any Party to the other Party under or in connection with the matters contemplated by this Agreement shall be in writing and shall:

- (a) in the case of the Supplier, be given by facsimile or e-mail and by letter delivered by hand to the address given and marked for attention of the person set out below or to such other person as the Supplier may from time to time designate by notice to the Utility; provided that notices or other communications to be given to an address outside the city specified in Sub- clause (b) below may, if they are subsequently confirmed by sending a copy thereof by registered acknowledgement due, or by courier, be sent by facsimile or e-mail to the number as the Supplier may from time to time designate by notice to the Utility.

The principal features of the Power Station are described in Annex-I of this Schedule-A.

³⁸In case of a Trading Licensee being the Supplier, the details of the Power Station of the Developer need to be filled in this Schedule.

Annex-I: Description of-Power Station\$

1 The site

The Site of the Hydro Power station shall include the land, building and structures as briefly described below:

{Provide a brief description here.}

2 Capacity of the Hydro Power Station

2.1 The Hydro Power Station shall have a generating capacity of not less than MW.

2.2 The configuration of Units is given below:

(a) The number of Units is

(b) The nameplate capacity of each Unit is..... MW.

3 Head

Maximum net head available for power generation is, which is the maximum gross head less all the losses in the water conductor system including penstock.

Minimum net head results from the difference in elevation between the minimum head water level (MDDL) and the maximum tailrace water level (TWL), minus losses with all turbines operating at full gate opening

4 Overloading Limits

All Units of Hydro Power Station shall be capable of increasing their output by 10% (ten per cent). The rate of increase or decrease in machine output shall be governed by change in speed/pressure rise in compliance other relevant IS.

5 Dedicated communication

The Power Station shall have a dedicated communication linkage with the Utility.

3 Specifications and Standards

The Power Station shall be constructed in conformity with the Specifications and Standards specified in applicable regulations .

PERFORMANCE SECURITY BY THE SUPPLIER AND UTILITY

The.....,
Distribution Company
State of....

WHEREAS:

- (A) (the “**Supplier**”) and [the.... Distribution Company] represented by....and having its principal offices at.... (“**Utility**”) have entered into an Agreement for Procurement of Power dated(the “**Agreement**”) whereby the Utility has agreed to the [Supplier if *supplier is NOT a Trading Licensee, or Developer if Supplier is a Trading Licensee*] undertaking the financing and operation of the Power Station with a generating capacity ofMW in the State ofon finance, own and operate (the “**FOO**”) basis, subject to and in accordance with the provisions of the Agreement.
- (B) The Agreement requires the Parties to furnish a Performance Security in a sum of [Rs..... cr. (Rupees.... crore)] (the “**Guarantee Amount**”) as security for due and faithful performance of its obligations, under and in accordance with the Agreement (as defined in the Agreement).
- (C) We,.... through our Branch atthe “**Bank**”) have agreed to furnish this Bank Guarantee by way of Performance Security.

NOW, THEREFORE, the Bank hereby, unconditionally and irrevocably, guarantees and affirms as follows:

1. The Bank hereby unconditionally and irrevocably guarantees and undertakes to pay to the Utility upon occurrence of any failure or default in due and faithful performance of all or any of the Supplier’s obligations, under and in accordance with the provisions of the Agreement, on its mere first written demand, and without any demur, reservation, recourse, contest or protest, and without any reference to the Supplier, such sum or sums upto an aggregate sum of the Guarantee Amount as the Utility shall claim, without the Utility being required to prove or to show grounds or reasons for its demand and/or for the sum specified therein.
2. A letter from the Utility, under the hand of an Officer not below the rank of a Superintending Engineer or equivalent, that the Supplier has committed default in the due and faithful performance of all or any of its obligations under and in accordance with the Agreement shall be conclusive, final and binding on the Bank. The Bank further agrees that the Utility shall be the sole judge as to whether the Supplier is in default in due and faithful performance of its obligations during the Contract Period under the Agreement and its decision that the Supplier is in default shall be final, and binding on the Bank, notwithstanding any differences between the Utility and the Supplier, or any dispute between them pending before any court, tribunal, arbitrators or any other authority or body, or by the discharge of the Supplier for any reason whatsoever.

3. In order to give effect to this Guarantee, the Utility shall be entitled to act as if the Bank were the principal debtor and any change in the constitution of the Supplier and/or the Bank, whether by their absorption with any other body or corporation or otherwise, shall not in any way or manner affect the liability or obligation of the Bank under this Guarantee.
4. It shall not be necessary, and the Bank hereby waives any necessity, for the Utility to proceed against the Supplier before presenting to the Bank its demand under this Guarantee.
5. The Utility shall have the liberty, without affecting in any manner the liability of the Bank under this Guarantee, to vary at any time, the terms and conditions of the Agreement or to extend the time or period for the compliance with, fulfilment and/or performance of all or any of the obligations of the Supplier contained in the Agreement or to postpone for any time, and from time to time, any of the rights and powers exercisable by the Utility against the Supplier, and either to enforce or forbear from enforcing any of the terms and conditions contained in the Agreement and/or the securities available to the Utility, and the Bank shall not be released from its liability and obligation under these presents by any exercise by the Utility of the liberty with reference to the matters aforesaid or by reason of time being given to the Supplier or any other forbearance, indulgence, act or omission on the part of the Utility or of any other matter or thing whatsoever which under any law relating to sureties and guarantors would but for this provision have the effect of releasing the Bank from its liability and obligation under this Guarantee and the Bank hereby waives all of its rights under any such law.
6. This Guarantee is in addition to and not in substitution of any other guarantee or security now or which may hereafter be held by the Utility in respect of or relating to the Agreement or for the fulfilment, compliance and/or performance of all or any of the obligations of the Supplier under the Agreement.
7. Notwithstanding anything contained hereinbefore, the liability of the Bank under this Guarantee is restricted to the Guarantee Amount and this Guarantee will remain in force for the period specified in paragraph 11 below and unless a demand or claim in writing is made by the Utility on the Bank under this Guarantee, no later than 6 (six) months from the date of expiry of this Guarantee, all rights of the Utility under this Guarantee shall be forfeited and the Bank shall be relieved from its liabilities hereunder.
8. The Performance Security shall cease to be in force and effect when the Parties shall have provided another Performance Security in substitution of this Performance Security.
9. The Bank undertakes not to revoke this Guarantee during its currency, except with the previous express consent of the Utility in writing, and declares and warrants that it has the power to issue this Guarantee and the undersigned has full powers to do so on behalf of the Bank.
10. Any notice by way of request, demand or otherwise hereunder may be sent by post addressed to the Bank at its above referred Branch, which shall be deemed to have been duly authorised to receive such notice and to effect payment thereof forthwith,

and if sent by post it shall be deemed to have been given at the time when it ought to have been delivered in due course of post and in proving such notice, when given by post, it shall be sufficient to prove that the envelope containing the notice was posted and a certificate signed by an officer of the Utility that the envelope was so posted shall be conclusive.

11. This Guarantee shall come into force with immediate effect and shall remain in force and effect for a period of two years from the date hereof or until it is released earlier by the Utility pursuant to the provisions of the Agreement.
12. Our liability under this bank guarantee shall not exceed INR_____. This bank guarantee shall be valid upto _____ and unless a written demand or claim in writing is made by the Supplier on the Bank under this Guarantee on or before _____, all rights under this guarantee shall be forfeited and we shall be relieved and discharged from all our liabilities thereunder.

T_m - The total number of time blocks in the period of computation shall be counted as “T_m”. The blocks in which no units are on-bar (i.e zero DC on-bar) and the blocks in which the schedule is less than technical minimum (i.e. start-up or shutdown) shall not form part of “T_d” and “T_m”.

D - Number of time blocks during the computation period when the scheduled ramp rate is greater than or equal to 1%/min in the net injection schedule.

F - Number of blocks in which the station has achieved ramp rate greater than or equal to 1%/min, out of the blocks in which the scheduled ramp rate is greater than or equal to 1%/min in the net injection schedule. F is a subset of D.

$R = \text{minimum of } (T_d/T_m, F/D)$

For $R \geq 0.9$, $P=0$

For $0.75 < R < 0.9$, $P = 6.003 - 6.67R$

& for $R \leq 0.75$, $P=1$

Where P is the fraction to be multiplied to annual fixed charges to get penalty for ramp rate as specified in 11.6.1

Appendices

APPENDIX-I
I LIST OF BID-SPECIFIC CLAUSES[£]

A. Provisions with currency-based footnotes

Footnotes with “£” sign

1. Agreement for Procurement of Power: Signature Page
2. Schedule-C: Default Escrow Agreement: Signature page.
3. Schedule-D: Deed of Hypothecation: signature Page.
4. Appendix-I: List of Bid-Specific Clauses.

Note: The above footnotes marked “£” shall be removed prior to execution of the Agreement for Procurement of Power.

Footnotes with “\$” or “\$\$” signs

1. Clause 5.4: Obligation relating to Transmission.
2. Clause 11.2: Fixed Charge
3. Clause 12.2: Variable Charge.
4. Schedule-A (Annex-I): Site of the Power Station.
5. Schedule –E: Letter of Credit: Form; and Paragraph 1.

Note: Non-numerical footnotes marked “\$” or “\$\$” shall not be deleted. They shall remain in the Agreement for Procurement of Power to be executed between the Parties.

B. Provisions where curly brackets are used

1. Clause 7.1 (m): Representations and warranties of the Supplier
2. Clause 25.13 (a) and (b): Notices
3. Schedule-A (Annex-I): Site of the Power Station: Paragraph 1.

C. Provisions with blank spaces

1. Recitals: First line, Recitals 2 and D.
2. Clause 5.3: Obligations relating to transmission charges.
3. Clause 11.2: Fixed Charge.
4. Clause 12.3: Variable Charge.
5. Clause 12.3: Variable Charge.
6. Agreement for Procurement of Power: Signature page.

D. Schedules with blank spaces

All blank spaces in Schedules shall be retained in the Agreement for Procurement of Power to be executed between the Parties. These shall be filled up as and when the format of the respective Schedule is used.

[£] This Appendix-I contains a list of provisions that would need to be suitably modified for reflecting bid-specific provisions after the Supplier has been selected. This Appendix-I may be included in the draft Agreement for Procurement of Power forming part of the bid documents. It may however, be deleted when the Agreement for Procurement of Power is to be executed.

Note: The Table of Contents may also be suitably modified to reflect omission(s) and/or re-numbering of Bid-specific provisions.
