Expression of Interest for Procurement of Energy from Non-Solar Renewable or Cogeneration Sources

CESC Limited, a distribution licensee under the Electricity Act, 2003, supplying electricity in its licensed area in and around Kolkata, intends to procure energy from non-solar Renewable or Cogeneration Energy sources, situated within or outside West Bengal. The Company has about 370 MU per annum non-solar renewable / co-generation energy requirement on long term basis.

Offers are invited from developers to supply energy generated from non-solar Renewable or Cogeneration Energy sources as defined in West Bengal Electricity Regulatory Commission (Cogeneration and Generation of Electricity from Renewable Sources of Energy) Regulations, 2013.

The Offers containing acceptance of pre-requisites given in Section A, along with details as per Section B, shall be submitted in a sealed envelope to the following address within three weeks.

CESC Limited reserves the right to reject any or all the offers without assigning any reasons whatsoever. It is also not binding on CESC Limited to disclose any analysis report on offers.

Section A:

1. The tariff applicable for purchase of energy from non-solar Renewable or Cogeneration Energy sources shall be within the Price Cap set in the West Bengal Electricity Regulatory Commission (Cogeneration and Generation of Electricity from Renewable Sources of Energy) Regulations, 2013 and subject to the terms and conditions contained therein.

2. Quantum of energy procurement will be as per the above regulations.

3. Delivery Point
   a. West Bengal state periphery (if Project is located outside West Bengal)
   b. Nearest Grid Sub-station (if Project is located within West Bengal)

Section B:

1. Name & address of the Company
2. Telephone Nos., fax, email, website
3. Type of source (viz. wind, biomass, cogeneration etc.) of the project
4. Location of the project
5. Installed Capacity (MW)
6. Energy intending for sale (MU)
7. Period of Supply/ Duration for sale
8. Status of approvals / permissions from the Concerned Authorities
9. Status / Permissions of power evacuation facilities
10. Injection point
11. Detailed project report
12. Cost details and offer Price Rs./kWh.
