FAMILIARISATION PROGRAMMES IMPARTED TO INDEPENDENT DIRECTORS

At CESC, all the Independent Directors make themselves conversant with the functions of the Company, its various growth prospects and business complexities. The senior management personnel of the Company interact with the independent directors regularly to keep them updated with the latest news and changes. In February, 2019 all our Independent Directors met the senior management for a span of three hours and had a detailed discussion on various facets of the Company's working. They also placed various suggestions to improve the Company's operations and make it more consumer friendly. A particular topic that was deliberated by them in detail was the ways and means for the Company to make transactions through digital platform more popular amongst consumers. Independent Directors also made an overview of the status of the Company's compliance with the applicable laws and regulations.

Such interactions from time to time between the Independent Directors and the senior management have been a regular practice followed by the Company every year.
