

Expression of Interest (EOI) for Procurement of Power from Non-Solar Renewable or Cogeneration Sources

CESC Limited, a distribution licensee under the Electricity Act, 2003, supplying electricity in its licensed area in and around Kolkata, intends to procure energy from non-solar Renewable or Cogeneration Energy sources, situated within or outside West Bengal on Short Term basis to meet its Renewable Purchase Obligation (RPO).

Offers including detailed terms and conditions are invited from the commissioned projects of the RE generators/ Inter State or Intra State Trading licensees to supply energy generated from non-solar Renewable or Cogeneration Energy sources as defined in West Bengal Electricity Regulatory Commission (Cogeneration and Generation of Electricity from Renewable Sources of Energy) Regulations, 2013.

The Offers containing acceptance of pre-requisites given in Section A, along with details as per Section B, shall be submitted in a sealed envelope to the following address within two weeks from the date of the publication of this EOI.

CESC Limited reserves the right to reject any or all the offers without assigning any reasons whatsoever. It is also not binding on CESC Limited to disclose any analysis report on offers.

Section A:

1. The quantum of power shall be upto 50MW on RTC (00 to 24 hrs) basis on Short Term basis for the period April-2017 to June-2017. The Minimum offered quantum shall not be less than 5.0 MW.
2. The tariff applicable for purchase of energy from non-solar Renewable or Cogeneration Energy sources shall be within the Price Cap set in the West Bengal Electricity Regulatory Commission (Cogeneration and Generation of Electricity from Renewable Sources of Energy) Regulations, 2013 and subject to the terms and conditions contained therein. The power procurement shall be as per the said regulation.
3. Delivery Point
 - a. West Bengal state periphery (if Project located outside West Bengal)
 - b. Interconnection with WBSETCL (if Project located within West Bengal)

Section B:

1. Name & address of the Company
2. Contact Person, Telephone Nos., fax, email, website
3. Type of source (viz. wind, biomass, cogeneration etc.) of the project
4. Location of the project
5. Installed Capacity (MW)
6. Quantum offered for sale (MW) and energy intending for sale (Mus)
7. Generation profile
8. Injection point/Interconnection details
9. Cost details and offered Price Rs. /kWh.
